NEW IRON-FRAMED 50-GUINEA UPRIGHT GRAND PIANOFORTE

Height, 4 ft. 2 in.

Length, 4 ft. 8 in.

Depth, 2 ft.

The action of this instrument is perfect in touch, and gives the performer every facility in producing gradations in tone from the most delicate *pianissimo* to the loudest *sforzando*. The *sostenuto*, or ton sustaining capacity, is really surprising, and the under dampers silence the strings as soon as the finger leave the keys. Quite an Artiste's Piano, and unquestionably the best in the market at the price.

CAN ALSO BE PURCHASED ON THE SAME SYSTEM—
