FLAG OF SERVA WAS BURNED IN VIENNA

German Students Joined in Demonstration Which Caused Alarm in Quarter Surrounding Servian Lega- tion—German Emperor Only Foreign Monarch to Attend Funeral.

VIENNA, June 30.—Owing to the
futility of finding accommodations
and a desire to spare Emperor Francis
the fatigue of entertaining foreign
sovereigns, the German emperor
will be the only foreign monarch to
attend the funeral of the late Archduke
Francis Ferdinand and his wife, the
duchess of Hohenberg, whose bodies
are now on the way to Vienna from
rayev. The exception was made
Emperor William's favor because
his close personal friendship for the
late archduke.

Emperor Francis Joseph continues
to bear up bravely under his bereave-
ment and gave several long audiences
today.

Vienna Demonstrations, Anti-Servian demonstrations, which ended Sunday in Bosnia, have now ended in Vienna. Three hundred German national students joined in a demonstration here today, burning the Servian flag, which was flying at half-mast on the Servian legation. The gendarmes had much difficulty in dispersing the students, and the affair has created nervousness in aristocratic quarters of the city, where the legation is located. Similar demonstrations also occur- ed outside the war office and in other parts of Vienna. The declaration of war law at Sarajevo has had the desired effect. That city is now quiet, and disorders continue in other parts of the empire.

RACED WITH PIRATES

VIENNA, June 30.—The River St.

between a Port Huron tug, with
two of that city on board, and two
pirates in a rowboat. The pirates
tried to gain the shore and cap-
ture the tug, but the rowboat and a quantity
of stolen copper were recovered.

"BLACK HAND" LETTER SENT TO COL. HUGHES

By a Staff Reporter.
OTTAWA, June 30.—Col. Sam
Hughes, minister of militia, was the
recipient today thru the mail of a
harmless looking envelope, which, how-
ever, contained a dire warning. In the
envelope was a black hand, carefully
cut to the shape and colored with ink.
In the palm of the hand traced around
in red were the words "Beware."

The colonel appeared little perturbed
at the message of doom. "I have been
shot at too many times to be scared at
all," said he, and he dismissed it from
his mind.

DOMINION DAY WAS CELEBRATED IN LONDON

Canadian Associated Press Cable.
LONDON, June 30.—The Canadian
emigration staff from all over Great
Britain and the continent, celebrated
Dominion Day by dining together here
tonight, under the presidency of Obed
Smith. Others present were: Hon.
George Perceval and Mrs. Ferley, Max-
Loren Brown, Fred Sailer and James
Parton. The gathering, the first of its
kind, was highly successful and it is
hoped to make it an annual event.

EILBER MAY BE NEW SPEAKER

Mantle of Hon. W. H. Hoyle is Likely to Fall on Member for South Huron.

In accordance with the parliament-
ary custom of appointing a new
speaker to the legislative assembly
following a general election, it is
understood that Sir James Whitney
will shortly announce a new official
for the Ontario house. There is al-
ready some speculation as to the likely
appointee and the name of Henry
Eilber of South Huron is mentioned
favorably. Hon. W. H. Hoyle, who
now presides over the sessions, was
elected to his position at the opening
of the first session of the 13th legisla-
ture, 1912.

Mr. Eilber is an experienced legisla-
tor and one of the most popular and
efficient committee chairmen in the
house. He was first returned to the
legislature in 1898 and has held his
seat ever since.

MUST ABANDON PARTY SLOGAN

Ottawa Liberal Organ Says People Are Satisfied With Whitney's Temperance Platform.

By a Staff Reporter.
OTTAWA, June 30.—"It has been
proven that 'abolish-the-bar' as a party
slogan is a failure, and political parties
have no use for policies that do not
draw votes."

In the above words the Ottawa Free
Press, the Liberal organ at the capital,
disposes of the policy by which N. W.
Rowell, leader of the opposition in On-
tario, hoped to bring the Liberals to
power. The Free Press relegates the
slogan of the party for the past three
years to the "limbo of forgotten things,"
and predicts that the cause of prohibi-
tion will not again be espoused by the
Liberals of Ontario.

"Not for many a year," it says, "will
there be another attempt to introduce
provincial-wide prohibition in Ontario."
"The answer of the people to Mr.
Rowell yesterday," says the editorial,
"is that they are contented with the
present liquor laws and with the ma-
chinery provided for the gradual elimi-
nation of licenses by separate municip-
alities on a 65 per cent. vote."

The Free Press states that in both
the Ottawa constituencies and the two
Essex ridings where Liberals gained
the bilingual issue played a not unim-
portant part, while in Windsor there
was a three-cornered fight. Little
credit is given to the main issue for
any gain which the party made in yester-
day's election.

The Free Press further pointed out
that in many constituencies the bar has
already been abolished under the Whit-
ney administration. There was no
reason why other municipalities should
not avail themselves of the same legisla-
tion if they wished to be rid of the bar.

FAILED TO OBTAIN BIG INTEREST IN LUMBER AREA

Half Million Dollar Share in Big Deal With Quebec Government Disallowed by Montreal Court—Hon. R. Lemieux Missed Putting Thru Deal.

Canadian Press Despatch.
MONTREAL, June 30.—Five hundred
thousand dollars is the amount in-
volved in a case disposed of before the
court of review today when the judg-
ment of Justice W. A. Weil, in the suit
of E. J. Rainboth, surveyor of Ottawa,
versus M. J. O'Brien, railway contract-
or, was unanimously reversed by Jus-
tice Teller, speaking for his colleagues
of the court. Plaintiff sought to have
himself declared the owner of a quarter
interest in timber limits, valued at
some \$2,000,000, situated in the district
of Pontiac. Plaintiff based his case on
a covenant entered into with O'Brien
in 1901, wherein the latter had under-
taken to retain the services of Hon.
Rodolphe Lemieux, K.C., to acquire
for both O'Brien and Rainboth by
private sale from the provincial govern-
ment the rights to the timber limits
involved. Mr. Lemieux failed to put
the deal thru, but some time later M. J.
O'Brien secured the rights of the limits.
About two years ago Rainboth
entered suit demanding his share in
virtue of the original agreement be-
tween himself and O'Brien.

The higher court held that the
agreement between Rainboth and
O'Brien was at an end and of no ef-
fect between the parties.

The superior court maintained the
action and declared that Mr. Rain-
both was entitled to his one-quarter
interest, which the court valued at
\$500,000. The court of review has now
found for Mr. O'Brien, thereby re-
versing the findings of the trial judge
and Rainboth's action is dismissed
with costs to both courts.

HEAVY DECLINE IN IMMIGRATION

Falling Off Over Fifty Per Cent. Thru Government Discouragement.

By a Staff Reporter.
OTTAWA, June 30.—A heavy falling
off of 52 per cent. is shown in the im-
migration figures for the months of
April and May, which have just been
issued. The falling off is general, and
is the result of the government dis-
couraging for the present the entry of
any immigrants but farm laborers and
agriculturalists and domestics. The
total for the two months was 88,156,
as against 146,428 for the correspond-
ing period last year. The heaviest
falling off is in the arrivals from Brit-
ain, where there was a decrease from
56,940 last year to 26,976 this year.
There were 2,675 from the United
States as against 33,507, a decrease of
12,794. From continental and other
countries there were 27,065, as against
56,976, a decrease of 29,911.

MADRID WOMEN RIOT AT COST OF POTATOES

Canadian Press Despatch.
MADRID, June 30.—The disorders
caused by the high cost of provisions,
which began here yesterday, continued
actively today. Bands of housewives
demanded that the price of potatoes
should be lowered, and their demands
not being complied with, they seized
many sacks at the market and threw
the potatoes into the street.

Special to The Toronto World.
BROCKVILLE, June 30.—Complete
returns from the rural districts in yester-
day's voting in the provincial contest
for Brockville riding were not received
until today, and these show that Don-
ovan, the Conservative candidate, car-
ried not only the Town of Brockville
but also the several townships, in-
cluding the Village of Athens, where he
resides.

Mr. Donovan had against him a
straight temperance man in W. T.
Rogers, Mayor Donaldson, the inde-
pendent Conservative, and Byron Wing,
Socialist. The successful candidate
won over Rogers by 446 and over
Donaldson by 1296.

Wing polled only 64 votes.

ernment's bill for the appropriation of
\$400,000 to cover the expenses of the
French exhibit at the Panama Pacific
Exposition at San Francisco was re-
introduced into the chamber of depu-
ties today.

Belief that the bill will soon be

expressed today by Alexandre Tirman,
French commissioner-general to the

BOY WAS BADLY HURT WHILE STEALING A RIDE

While stealing a ride on one of the
City Dairy's heavy delivery rigs, at
the corner of Munroe and Ger-
ard streets yesterday afternoon, 10-
year-old Norman Turner of 173 Su-
mash street, was bumped off and two
of the wheels passed over his body.
The lad sustained a fractured femur
and pelvis, and also internal injuries.
He was conveyed to St. Michael's
Hospital, and his condition is thought
to be critical. Charles Kibula, 49 Ra-
vina crescent, was driving the wagon.

YOUTH IS GIVEN LIFE SENTENCE FOR MURDER

Chinese Servant, Who Killed Vancouver Woman and Incinerated Body, Escapes Execution—Motorist Who Caused Pedestrian's Death, to Serve Prison Term.

Canadian Press Despatch.
VANCOUVER, B. C., June 30.—De-
claring that he thought Jack Kong,
the Chinese servant who killed Mrs.
Charles Millard and dismembered and
burned her body, was guilty of murder
instead of the lesser crime of man-
slaughter which the jury had decided,
was the crime, Justice Gregory today
emphasized his feeling by sentencing
the 17-year-old criminal to spend the
rest of his life in the penitentiary.
Usually a life sentence means twenty-
one years, but Kong under the sen-
tence of today must spend all his
years within prison walls. His lord-
ship declared he was unable to see any
one redeeming feature, for he regarded
the crime as one of peculiar cunning
and ferocity.

Motorist Sentenced.
Another notable sentence passed at
the close of the sittings was against
Harvey L. Virgil, an automobile sales-
man. Last winter Virgil killed Martin
Longman, a street sweeper, by run-
ning him down in a midnight ride.
Virgil was driving a car owned by H.
M. Cottingham and with them were
two women whom they had picked up
on a street corner. Both men are
fairly wealthy and they fought the
charges in civil and criminal courts
very bitterly. A jury returned a ver-
dict against Cottingham for a thousand
dollars damages and today Virgil got
two and a half years.

Virgil was not only found to have
driven away from a dying man, whom he
knew he had struck, but he had pre-
pared an elaborate perjured defense.

EARL OF WEMYSS HAS PASSED WAS DEAN OF HOUSE OF LORDS

Born Ninety-Six Years Ago, He Sat for Many Years in the British House of Commons Before Entering Upper House—Owned Vast Es tate.

Canadian Press Despatch.
LONDON, June 30.—The Earl of
Wemyss and March, the father of the
house of lords, died today.

Born in 1818, the Earl of Wemyss
was until quite recently considered
one of the liveliest members of the
British House of Lords. Long after
he reached the age of 90 he played an
excellent game of golf. At the age of
82 he contracted a second marriage
with Miss Grace Blackburn, niece of
the late Lord Blackburn, altho at the

LIBERALS LOSE SOUTH OXFORD

Sinclair Has Apparently a Lead of Four Over May- berry—Will Be Recount.

Canadian Press Despatch.
WOODSTOCK, June 30.—Accord-
ing to latest advices from polls in
North and East Oxford townships,
which are considered authentic, V. A.
Sinclair, Conservative, is elected to
the legislature from South Oxford, in-
stead of Lieut.-Col. Mayberry, Liberal,
who, according to last night's returns,
had a majority of four. There was a
mistake of two votes in North Oxford
and a discrepancy of six votes in East
Oxford, which reduces Col. Mayberry's
vote by eight and gives Sinclair a ma-
jority of four. There will be a re-
count.

As the final figures indicate the
election of McDonald (Lib.) in North
Brunce, which had been counted in the
Conservative column, the standing of
the parties is unchanged by the result
in South Oxford.

SIR JAMES MAY VISIT ENGLAND

Premier Likely to Take Lengthy Vacation Now That Provincial Elec- tions Are Over.

The provincial elections now being
concluded, it is understood that Sir
James Whitney is planning a lengthy
vacation in the British Isles. This
was his original intention as expressed two
months ago, and altho nothing definite
has been announced recently, the out-
come of the campaign is taken to clear
any possible difficulty from the way.
The holiday would also be in accord-
ance with medical advice that he take
steps to ensure his vigor.

At the present time the premier is in
fine fettle. He is at the office desk every
day and performs the routine of busi-
ness with the same despatch as of old
time.

JAPAN WILL SUPPRESS NEGOTIATION DETAILS

Canadian Press Despatch.
TOKIO, June 30.—Takaaki Kato,
the Japanese foreign minister, today
announced that details of the treaty
negotiations between Japan and the
United States, on the subject of the
California alien land ownership legisla-
tion would not be published out of
deference to a request from the United
States Government, and also be-
cause the publication was deemed un-
necessary.

The fear is expressed that Japan's
case is hopeless, and there is evidence
of a strong feeling that the time has
arrived to fix the status of Japanese
subjects living abroad.

Canadian Press Despatch.
MONTREAL, June 30.—The National
Grand Lodge of the Order of Good
Templars today passed a resolution in
favor of the granting of the franchise
to women, "believing that the en-
franchisement of women would great-
ly aid the cause of prohibition." The
order also endorse a plan to form a
prohibition party in every consti-
tuency, and authorized John H. Roberts,
Montreal, national electoral superin-
tendent, to take action to organize the
voting strength of prohibitionists
throughout the Dominion. Rev. J. A.
Smith of Berwick, N.S., national chief
templar, claimed that a saloonless
Canada and United States would be an
accomplished fact by the year 1920.

Rev. J. A. Smith was re-elected na-
tional chief templar; F. W. Jackson,

PARIS, June 30.—The courts have
authorized an attachment against
"Jack" Johnson, the heavyweight
champion pugilist, on claims by two
creditors for sums of 17,500 francs
(\$2500) and \$5,600 francs (\$1,120), re-
spectively, provided no appeal is en-

creditors claim that they were to re-

won by Johnson in his fight Saturday
night.

ULSTER'S CAUSE GIVEN SUPPORT IN AUSTRALIA

Resolution Passed by Senate Declared to Have Misrepre- sented Sentiment of People, Many of Whom Are Enrol- ling to Fight—Fierce Af- fray in Omagh.

Canadian Associated Press Cable.
LONDON, Wednesday, July 1.—The
Australian Senate recently reaffirmed
a resolution in favor of home rule, but
yesterday Dr. Leeper, Melbourne Uni-
versity, called Walter Long, ex-
Unionist cabinet minister, as follows:
"The senate's resolution misrepresents
Australian opinion. It proceeds from the
alliance of mutual interests between
labor, socialism and Roman Church,
and the general sentiment is entirely
against the coercion of Ulster and
strongly urges a referendum. Many
here are enrolling to fight for Ulster."
A fierce partisan fight is reported
from Omagh. A Nationalist is said to
have struck a soldier. Ulster volunteers
went to the latter's assistance when a
general scuffling followed. Local
police who endeavored to separate the
combatants being injured severely.

OUTLOOK GROWS DARK IN ULSTER

Volunteers Are Becoming Restless—Officers and Men Permitted to Carry Arms in Street.

LONDON, Wednesday, July 1.—An
order is being issued by the head-
quarters of the Ulster volunteers per-
mitting officers and men of that force
to carry rifles and bayonets in the
street. It is the result of the incident
Monday night, when two armed vol-
unteers were stopped and warned by
the police that they would be prose-
cuted.

The Mail's Belfast correspondent,
who gives the foregoing information,
adds, the prevailing opinion here is
that the amending bill will not bring
a solution. Everybody who counts
declares the outlook was never darker.
Every effort is being made to enforce
discipline and allay the uneasy feeling,
but the rank and file are becoming
restless and a very delicate game is
being played.

Both sides are hoping that the other
will make a false move. The authori-
ties wish the Ulster Unionist council
to make a heady aggressive move and
the Unionist council intend they shall
take action only to preserve the good
order of the city.
