

GRAND TRUNK RAILWAY OF CANADA.

GENERAL MANAGER'S OFFICE.

Montreal. 29th December, 1890.

To the Staff of the Grand Trunk Railway of Canada.

In severing my active connection with the Grand Trunk Railway,—which takes place on the 1st proximo,—I desire to express to the staff my thanks for, and high appreciation of, the loyal co-operation I have received from them in carrying on the affairs of the Company. I am confident the same loyal co-operation will be extended to my successor, Mr. Seargeant. Many of the members of the staff have been in the service the whole of the twenty-nine years during which I have been connected with it; and I am justified in saying that no more zealous and faithful body of men ever served a public company, than the present staff of this Railway.

I shall continue to take an earnest interest in the welfare of the Railway, and of those engaged in carrying on its operations; and it will always be a matter of gratification to me to hear of the prosperity and welfare of both.

Wishing you all a very happy New Year,

I am,

Yours very truly,
