Clothes for Young Gentlemen

strike an entirely new style note. If they were like others, our enthusiasm would wane, for we would have no more to talk about than any other clothier.

But they have established a new style and quality standard, which young men tell us they have been waiting for ever since they got into long trousers. We don't ask you to take our word for it—Come and see.

Stanley Gun Club.			
The opening shoot of the season will be held on Saturday at 2 p.m., when all the members are invited to take part. Visitors from outside and city clubs will be welcome. The officers of the club would be pleased to meet any who are desirous of taking up one of the most fascinating and profitable winter sports. Trap shooting has made great headway in Canada during the past few years, as is evidenced by the large number of gun clubs that have started up. Now is the time for beginning to start, as next month is the beginning of the club year. Experienced shooters are always on hand to instruct the novice, and a few weeks at the traps will improve your shooting and make you quicker when you go after five game. The tower trap will also be in operation. Shots can be purchased on the grounds. The club is located on Ashbridge's Bay at the foot of Saultier street.
