UNITY OF ALLIANCE

Lord Robert Cecil is for Rebuilding International System.

London, Aug. 16. - Lord Robert Cecil, under-secretary of state for foreign affairs, speaking at a government dinner in celebration of the fourth anniversary of the establishment of the international commission on revictualling, said he believed the commission formed the nucleus of a league of nations.

During his address Sir Robert said: "We are not now only in the alliance with the greatest partnership of nations, but we are engaged in the greatest enterprise taxing the energies of mankind. All the suffering and all the great strain on our re-

our blood, money, trade and shipping, and we are not going to spare them. All these things we are bound to do in the common cause. All these things we will do. "The unity of the alliance is due

"We must rebuild the international

system. That is why I believe this commission is the organization upon which a league of nations can ulti. PERMANENT MINISTER

FOR EACH DOMINION

London, Aug. 16.—The Times announces that the imperial war cabinet has decided that each Dominion will be represented by a permanent minister in London, who will attend the periodical meetings of that body. Possibly Sir Edward Kemp will continue to represent Canada and presumably General Smuts will represent South Africa. It would be very unwise to jump to the conclusion that Premier Hughes desires the post of permanent minister of the

commonwealth of Australia. Editorially, the Times recommends this "useful innovation" and says: "The expedient is unlikely to be an items they would be adopted more speedily; perhaps not. Women voters widespread withdrawals in this will still be necessary that the heads region, although the enemy seems to of the Dominion Government should periodically come to London, but the permanent ministers here should be able to keep in personal touch with events and act as channels of communication between the British war cabinet and their governments."

PLAN TO FORM LEAGUE OF AUSTRIAN STATES

London, Aug. 16 .- A plan has been adopted for the formation of a league of Austro-Hungarian states, to be fairs, according to a Vienna despatch avert the shortage in supply which is quoting the Czech radical organ in winter, was the Austrian capital to that effect. The Exchange Telegraph correspondent at Copenhagen transmits this despatch, as printed in The Berlin Vossische Zeitung. The quotation from the Czech organ reads: "It is learned from a reliable source that Premier Husearek has reached an understanding with prominent re-presentatives of all the Austrian parties for a complete revision of the Austrian constitution. It is planned to form a number of states that shall ave home rule, including the German, Czech, Polish and South Slavenian states. these, with Hungary, will form a league of Austro-Hungar-

UPWARD MOVEMENTS IN PRICES OF FOODS

Ottawa, Aug. 16.-Upward move nents in wholesale and retail food prices were again recorded by the department during July. In

wholesale prices, the increases were chiefly in dairy products, fresh and anned vegetables, textiles and lumber. There were decreases in fodder, live stock and meats. In retail prices, there were increases in meats, eggs and potatoes, with slight decreases milk and dairy butter. Coal, wood and coal oil, and rent showed slight increases. The index number of wholesale

orices for July reached 284 as compared with 280.6 for June, and 242.6 for July, 1917. The cost of a weekly supply of food at the middle of July averaged \$13 in some sixty cities, as compared with \$12.77 for June, and

SIX MILLION GERMANS LOST DURING WAR

Paris, Aug. 16.-The total German losses from the beginning of the war to the end of July, 1918, are supposed to be 6,000,000, according to the morning newspapers.

The figures include 1,400,000 killed up to the beginning of the German of-

fensive last March. From March 27 to June 17, the Germans are said to have lost 120,000 killed alone.

TO TEACH AERONAUTICS.

London, Aug. 16.—Several large sums of money have been given re-cently to leading English universities for the establishment of professorshins in aeronautics, it is announced The University of London made announcement Thursday that it not only had accepted a gift, but proposed to start almost immediately systematic made to the chair.

DISMAYS ANTI-ALLIES

London, Aug. 16. — Anti-entente circles in Petrograd were surprised and dismayed when the German embassy and mission, which had gone to Petrograd from Moscow, suddenly left the former Russian capital, according to a Stockholm despatch to The Times, quoting The Petrograd Gazette, the only anti-Bolshevist newspaper allowed to appear in Petrograd. Altho The Gasette is opposing the Bolshevist regime, it is violently pro-German and anti-British.

EXPLAINS REFERENCE TO MR. GALBRAITH ries. "Why be a clerk, then? Why not

Editor World:

Sir,—I have been requested by Mr. John Galbraith to publish the letter received by me from him, to which I made some passing reference in my address at Hon, Mr. Henry's meeting at Eglinton Town Hall on the 13th, and reported in your issue of the 14th. This I am pleased to do, if it meets with your approval, as the reports failed to convey the spirit of ridicule in which I spoke,

Yours, etc...

strike out for yourself?"

"And live on nothing a year instead of what we now have?"

"We have little more, at least you might stand a chance of having something in the future."

"A rird in the hand is worth two in the bush," he laughingly assured her, as he sat down to comfortably read his evening paper and smoke his pipe.

"He has no initiative" Buth said

Yours, etc., Constance Rudyard Boulton.

Constance Rudyard Boulton.

Miss Constance Boulton, Member of School Board, Toronto:

Dear Madam,—I understand you are interested in the election in East York, and I take pleasure in sending you one of my platform circulars, which I hope you will read over carefully.

You will read over carefully.

You will learn that I have been a lifelong advocate of women's franchise, and I believe I am the only Conservative who advocated it previous to election of 1914. In your address to East York women and electors, I hope you will be fair and give justice to me by stating this fact.

I find considerable resentment against you and Mrs, Vankoughnet by women of the careful way in which she had to tot, and may redound against Hon. Mr. Henry on election day, as Englishwomen on tot, like to be dictated to by outsiders, and especially for me, who has altered to the careful one would against Hon. Mr. Henry has refused to meet studied for years. It was a perfect way in would be yeary studied for years. It was a perfect would not allow her to mention the flat, but it would be such a proof of Brian's incompetance in joint meetings, I would be yeary studied for years. It was a perfect.

would not for the sake of reward speak against your inborn convictions of what against your inborn convictions of what is right, so I write to explain that I have been an advocate of women's franchise for years, which you did not know, and, therefore, oppose me. Wishing you would take herself to task, and he conscience stricken because of feeling so back to her home, once more living success, I am, Yours respectfully, John Galbraith,

QUEBEC CROPS DAMAGED.

Quebec, Aug. 16 .- A heavy squall that struck the entire Quebec district was not there to arrange the flowers, in the Bellechasse region. In a number of parishes the crops have been flattended down on the ground and are almost a total loss. A number of barns and houses were also damaged.

even looked different now that she do you mean? he turned pale.

was not there to arrange the flowers, etc. She mentioned also that she intended to have her living room done over in the fall; there had been a leak, and she thought she would have the coloring of the room changed at and houses were also damaged.

THE WIFE By JANE PHELPS

Mrs. Clayborne Sends for Ruth.

Brian really tried harder than usual to increase his clientele, and so his income. But a young lawyer without It is said that the arrival of the broad acquaintance or influence never German embassy at Petrograd gave reason for the belief that it would remain permanently there. The mission numbered 700, and briught its archives and stores to Petrograd by automobile. was for long, lean periods all they The Gazette prints a despatch from had to depend upon.
