SUSPENDED FROM I.O.F.

Bartender Sues to Secure Reinstatement in Order.

Orangeville, Nov. 14.—(Special.)—The case of McDougall v. McArthur was concluded at the assizes here to-day, and the jury returned a verdict in favor of the plaintiff, Alexander McDougall, for \$4250 and costs. McDougall asked \$2000.

Zilliox v. Independent Order of Foresters was on the list. This was an action in which George Zilliox, Jr., asked for reinstatement in the I.O.F., having been suspended from the order some time ago on the score that he was a bartender, and that men so engaged were barred from membership. Zilliox, however, claimed that he performed the duties of clerk in his father's hotel. Judgment was reserved.

PILES

Scottie Gentleman Cured with Less Than a Box of The Pyramid Pile Cure.

Anyone Can Easily Test It and Prove It, for a Free Sample is Sent by Mail to All.

Seven out of ten readers of this paper are tortured with piles or some form of rectal disease. You are, or you would not be reading this article. Thirty years ago doctors carried a most in their vest pocket and bled people for all sorts of diseases. I have not heard hard—sometimes a quart at a time. It was the fashion then. All that is changed nowadays and a doctor with a lancet would be considered a curiosity.

Five years ago doctors "cut out" Piles wherever they got the chance. All that has been changed since the marvelous soothing, healing and curative properties of Pyramid Pile Cure have become known.

By every mail we get letters like this:

"Wishing to give credit where credit is due, I feel it my duty to humanity as well as to myself, to write you regarding the pile remedy. I have not finished my first box and am now well. After the first treatment of Pyramid Pile Cure the soreness left, and the swellings have kept decreasing. I also used your pills and am feeling like myself again. Thanking you for the cure, I am, yours truly, C. Cowley, 170 9th-avenue, Seattle, Wash."

If you want positive proof of the curative value of this remedy send to the Pyramid Drug Company, 61 Pyramid Building, Marshall, Mich. You will receive a free trial package by return mail. Try it, then go straight to your druggist, get a 50c box and get well.

ROOSEVELT IN PANAMA TO INSPECT BIG DITCH

Extraordinary Precautions to Protect President From Bomb of Anarchist.

Colon, Nov. 14.—The first trip of an American president outside of the boundaries of the United States was concluded successfully this afternoon at 1.30, when the battleship Louisiana, having on board President Roosevelt and his party, dropped anchor in the harbor of Colon. The Louisiana, which arrived ahead of schedule time, was conveyed by the Tennessee and the Washington. The three vessels anchored about a mile from the dock during a heavy rainfall.

Owing to the fact that the Louisiana arrived ahead of time, neither President nor Admiral of Panama, nor Chairman of the Isthmian Canal Commission, was on hand to welcome President Roosevelt. They left Panama at 4.30, in a special train from Colon, and at 8.30 to-night boarded the Louisiana and extended a cordial greeting to America's chief executive. During the afternoon President Roosevelt received the local newspaper correspondents on board the Louisiana. He said that his voyage had been pleasant and uneventful and expressed himself as gratified at the welcome which the citizens of the Isthmus are preparing for him when he lands to-morrow. He stated that he proposed to look into the Isthmian labor question, and also intended to see everything possible concerning the canal.

Extensive precautions have been taken to protect President Roosevelt during his three days' visit on the Isthmus, and it is reported that a number of known anarchists have been arrested here or at Panama. All steamers arriving at the Isthmus are inspected and suspicious characters have been imprisoned and will be held in custody until President Roosevelt departs. The president will begin his tour of inspection to-morrow, and an extensive program of official entertainments has been prepared.

THE SAILORS AND MINERS.

The Good Work Being Done on the Canals and in the Camps.

Rev. H. R. Horne, B.A., general secretary of the Upper Canada Tract Society, took charge of the Old St. Andrew's prayer meeting last evening. He dealt with the work that is being done in Canada among the 20,000 sailors, the large population in the lumber camps and in the mines of Ontario. His address was eagerly listened to and he impressed his hearers with the great need for a forward work among the great traveling public in Canada, who are not in touch with the churches. His references to that prince among the sailors, Rev. Thos. Bone of the Welland Canals, who has been laid off work thru illness for the last two months, were much appreciated. "He is the peer of any man in Canada," said the speaker, "and deserves to have a place among the great men of this country." Mr. Bone is 35 years old and on New Year's Day, his labors are about ended, and many kindly enquiries have come from the passing sailors this year as to his condition.
