Platoon Wins Handicap.

WINDSOR, Oct. 15.—(Special.)—Lowering skies and cool winds did not prevent the usual racegoers from attending today. The track was fast for the first time since the opening of the meeting, and the mud horses were retired for the present. The feature of the day's card was a handicap over five and a half furlongs, and brought together some good horses, Edgely being favorite and heavily played. Platoon, the second choice, won handily, and Emergency beat Edgely out for the place. Following are the summaries:

FRANK GRACE RETURNS FIRST ALL CANADIANS

Work Greatly Exaggerated-Another Trip Proposed.

OTTAWA, Oct. 15.-Frank Grace, an Amprior boy, who was a member of the crosse team which recently toured Australia, was in the capital to-day on his way to Arnprior. Grace came up from Montreal, where he disembarked Friday after coming over from England. He looks the picture of health after his trip around the world, and speaks in high terms of the treatment accorded the Canadians by the Australians.

The team, which was selected by President John Millar of the C.L.A., assembled in Orillia last May and went by way of British Columbian cities and were badly beaten. The men were not then in shape, however, and did not commence to play their usual good games until they arrived in Australia. On their Australian tour, the All-Canadas won 17 games and drew one, scoring over 150 goals. Most of their wins were easy ones. Grace played in the defence field. The team went from Australia to India and there disbanded, some going to France and the rest to England. The tour was a big financial success, and as many as 20,000 people saw some of the games.
