association game will supplant the present college sport.

Soccer, affirmed the managers, is to get a thoro try out. To the apparent surprise of all the managers, the Minnesota charges were not sprung in the open. Coach Williams of the Gophers, who was billed for a scolding for playing Michlgan, kept away and avoided the slap. Director Bartelme of Michigan was another who remained away. Since the Wolverines were turned down on their proposition to take on Illinois as a baseball opponent no more Ann Arbor invitations have been forthcoming, and Director sartelme's absence was taken to mean that no more attempts would be made to break into the conference company until the question of Michigan's petitioning for readmission is settled one way or the other.

Powers Fined and Suspended, Tho He Landed Three Other Races - Results and Entries.

JACKSONVIII.E, Dec. 25.—The attendance record at Moncrief Park was broken to-day, the largest crowd that ever attended a race in Florida being present when the barrier shot up on the first event. Five of the six races were won by favorites, and they were heavily played, which sent the big crowd home in the best of spirits. Powers won three races. In the Christmas Handicap, Powers, on Eyebright, grabbed the bridle of Woolwinder and hit Woolwinder's jockey with his whip in the stretch. His mount was disqualified and Woolwinder was given the first money. Powers was fined \$200 and suspended for one week. Summary:
