SWIMMING

Some good times were made at the Central "Y" yesterday, when the team for the Darnell Cup had a practice in the "indoor lake." Miss M. Pickard, who has charge of the ladies' team, performed the 225 yards first method of rescue in 35 seconds, and Miss Cochrane was next best with the second method, going the 25 yards in 34 seconds. The ladies then swam 100 yards on the breast, and 100 yards back swim, A. L. Cochrane of Upper Canada College coaching them along. A. Peade was the best man in the sneed crass, doing 61 seconds for the 100 yard 4 speed, and 1.38 for the back. H. Stowe from U.C.C. Aid 1.36 for the breast swim, and B. Stephenson's time for the 100 yards speed was 67 flat.

what Grover Cleveland Alexander would do to them in the afternoon. Al Demarce former team-mate, broke their string of consecutive victories, that would have been No. 18. Then, in the afternoon, Alexander the Great proved the easiest picking, and possibly the Giants are already re-started on another long list of wins. It looks only a matter of time when McGraw's team will lead the Na-

fifteen, and then for that same ball club to win seventeen straight, is something new in a game that has about exhausted all the freak incidents of play. It is easily the most astounding reversal basebal has ever known, and baseball has known its share, being that sort of a game. The Giants needed only three more victories to tie the Providence record, made in 1884. In that year, playing in the National League, Providence won twenty straight, starting Aug. 7 and going thru unbeaten to Sept. 6. Jeffries at San Francisco, tells this one on Jim:

"Corbett was an easy man to get along with save that he was finicky about small matters. For instance, he came to me before the Jeffries fight and wanted to know who would be a likely referee. When I told him the man he sought him out and put him thru a third degree on boxing. There never was a question of ring form that he didn't bring up. A few days before the fight he came to me and asked to be shown the door in Mechanics' Pavilion thru which he would enter on his arrival. I showed him the big front door and he said, 'No. Too much jostling there. Show me another door.'

Umpire Dineen announced that the decision made in the morning game when Felsch was called out after Veach had dropped his fly was misconstrued. Dineen declared that Felsch was called out because Veach had momentarily held the ball before dropping it. It was quite generally thought that Felsch was retired because he had stopped running to first and had turned toward his dugout, believing that Veach would catch the ball. Scores:

BABY SHOW AT EXHIBITION CAMP Second Division A.A. Arrange Novelty For Soldiers' Wives.

The Toronto Daily Star day at Exhibition Camp Saturday afternoon looks like the crowning achievement in soldiers' sports. Altho it is too early to gauge the number of entries for the different events, since the battalions and militia units concerned have until Thursday at 6 p.m. to forward their representatives' names to the 2nd Division A.A. offices, there is sufficient preparation already apparent to guarantee a bumper list of contestants anxious to win The Toronto Daily Star Cup. Not the least interesting feature of the day will be the baby show in front of the grand stand. All sorts and conditions and sizes of babies will be seen, and it should be a proud
