THE STANDARD BRED TROTTER PROVES **GREAT ATTRA CTION AT EXHIBITION**

Chilcoot, Former Grand Circu it Star, Wins Aged Stallion Class After Keen Con test-The Harness Races Start Today.

The standard-bred trotter, the most popular light breed of the day, entertained a packed grand stand in front of the breeder's r.ng at the Canadian National Exhibition yesterday afternoon. Despite the fact that in some instances the classes were small, keen conjection occurred in the majority, the quality of the exhibits being much superior man is frequently the case. The greatest of rivalry existed in the aged stanton class, which received a nomination of seven, acknowledged to be the best aggregation ever congregated at this show. Chilcoot is owned by the popular local horseman, Mr. C. A. Burns, who was the recipient of many congratulations on the victory, and a second one later in the afternoon when he was made grand champion of the show. The distinction installs Chilcoot, a peer among Canadian stallions when, coupled with his illustricus achievements on the turf, which include a world's championship ice record, and victories in the rich Charter Oak \$10,000 stake at Hartford, Conn., and the Massachusetts \$5000 stake at Readville.

Second and third in this class were acquired by Crow and Murray, with the Cobourg winner, Ike Medium, a high-class show horse, possessing an abundance of all around action, and with Burt Axworthy (2.05%), a handsome chestnut horse, that boasts of frequent wins at the Canadian shows.

Race horsemen were grieved to witness beautiful little Jim Todd (2.08½), reputed to be the leading sire of speed in the province, receiving no better than fourth award in this class. In value he rivals any stallion in the country, and will be represented by no less than six of his get in the races which open this afternoon. In addition Jim has gained victories at the leading shows on the continent, including Madison Square Gardens, and is very typical of the breed. The judges faulted him for lack of size, which accounts for his low standing.

The game between Ulster United (city champions) and Galt (champions of western Ontario) will take place at Broadview grounds on Monday next; kick-off, at 10.30 a.m. Galt will be represented by the following: King, Rhodes, Walker, Lawrenson, Taylor, Bennett, G. De Vera, Lawrenson, Taylor, Bennett, G. De Vera, De Vera, R. Parks, G. Moss and P. De Vera, with J. Clarke and C. Pinnegar as spares. This is exactly the same team as enabled them to win the championship. Ulster United will be very strongly represented, and the team will be chosen from Halliwell, W. Hunt, Dr. Given, J. McGill, McAdam, Crabill, McCracken, Lavery, Forsythe, Walker, Ferguson, Long, Tetherington and Glover. The executive of Ulster United have extended an invitation to the Montreal officials and team to be present at the game, and a similar invitation will be extended to Britannia of Winnipeg on their arrival in this city. They will make their headquarters at Broadview Y.M.C.A. Given good weather there is sure to be a large turnout on Monday morning to witness what will undoubtedly be a very interesting game.

The two games at Varsity Stadium on Monday afternoon are creating more than ordinary interest. Montreal are taking no chances of their team being leg-wearied and are arriving in town tomorrow morning. The team has undergone one or two changes from thet which played in Montreal July 1. The half-back line has two changes in Adam Roe and Chic Craige; the former has played in most of the representative games in past years and again has to be recalled for duty for his city. Craigle is a sterling half and altho never a favorite with the Montreal crowd, there never was any better in Montreal. Dave Adams, the ex-Dovercourt player, travels first reserve with the team.

In the second game Britannias should have an opportunity of showing the local fans their true form against Westinghouse. In their one game of the last series Britannias were unfortunate in having to play two nights in succession, and that after the first game going twenty minutes overtime and with ten men two parts of the game. The Brits will arrive in Toronto this morning and go to Hamilton on the 2 o'clock train. The team will remain in Hamilton over night and will be royally entertained by the Westinghouse Club, coming back to Toronto Sunday for the game at Varsity on Monday.

Sunlight play the'r senior fourth divi-sion game with Victoria on the Dunlop grounds at 4 o'clock. HORSES COMING FROM DEVONSHIRE

Secretary F. S. Livingston of the Thorneliffe Breeding and Racing Association was advised yesterday from Devonshire to reserve stabling room for 150 horses, which will be shipped from that track to Thorneliffe after the close of the Devonshire meeting. Applications have also been received from Ottawa for stabling room, and with the many horses now here at Dufferin Park awaiting the opening of that meeting next Wednesday, there should be no dearth of horses when Thorneliffe opens, on Sept. 17.
