CITY RECEIVES SHOCK WHEN MONEY RETURNED

Over One Thousand Register and Large Sum Received in Subscriptions

The total results given at the Kiwanis dinner, held last night, with regard to the Five Thousand Club for mental hygiene, showed that 188 members had been secured by the Kiwanis Club and \$4,932 in subscriptions.

John O'Connor, the chairman of the campaign committee, felt that the club which had been furthered by the Kiwanis Club would owe its success to the extent the public discussed it.

Other speakers believed that Kiwanis in Toronto had done something which would be taken up by other Kiwanis clubs in Canada, with far-reaching results.

The International Kiwanis convention was fully discussed during the meeting. Geo. Ross, international trustee, suggested the program by which Americans would ever remember the "Canadian Hour."

Norman Tovell, president of the Rotary Club, said that the Kiwanis had done something which would be taken up by other Kiwanis clubs in Canada, with far-reaching results.

Short addresses were also given by Roger Hayes, chairman of the convention, and F. Treleven, president of the Hamilton Kiwanis Club.

Entertainment was furnished by Jules Brazil and the O'Connor sisters, which was greatly appreciated.

SUGGEST LOANS TO HELP THE VETERANS

City Will Have to Assume Bonds if the Proposed Measure Is Enacted

At the meeting of property owners this week the following announcement was made by the officer in charge of the finances of the Toronto Housing Company, whose bonds are guaranteed by the city:

"If the proposed bill becomes law and is put into operation in Toronto, the sum of \$25,000 will have to be returned to present tenants to cover difference in rent from October 8 last, and the company has no funds to meet this claim.

Furthermore, if rents are reduced to rates prevailing in January, 1919, plus ten per cent, as the bill provides, the company will not be able to carry on and the city will have to assume the burden of the bonds.
