

am sure the Supreme Council are to be congratulated in having an addition of two new Bodies under its obedience which will certainly extend the Rite and add to its lustre and renown.

The Re-Union of the Rite spoken of at the last session to take place in the City of Hamilton was duly held and proved a complete success, and the Brethren of Hamilton, through me, express their grateful acknowledgments to Ill.^l. Brother HUTTON, and the Ill.^l. Brethren from Montreal who accompanied him such a long distance in winter for the express purpose to give countenance to them in this their first effort in the way of a Re-Union. They are also grateful to their Brethren from London and Toronto for their kind presence on that occasion. A large number of Illustrious Brethren from the Northern Jurisdiction of the U.^l. S.^l. A.^l. were also present.

Having therefore failed in extending the Rite in the Province of Ontario, as I promised and fully expected to have done, I trust the Supreme Council will relieve me from either the office of Secretary-General or the Deputyship for Ontario, and by the appointment of some other Illustrious Brother with more time, secure that extension which there is now no reason for longer delay in accomplishing.

Respectfully and Fraternally,

J. W. MURTON, 33^o,
Deputy for Ontario.

SUPPLEMENT TO REPORT OF THE DEPUTY FOR ONTARIO.

With regard to the question of re-arranging the jurisdictions covered by the Provinces of Ontario and Quebec, and which was left to the Deputies of these Provinces, the Deputy for Ontario would recommend :

That all the eastern portion of the Province of Ontario covering the Counties of Renfrew, Frontenac, Addington, Lanark, Leeds, Grenville, Carleton, Dundas, Stormont, Russell, Prescott and Glengarry be added to the Jurisdiction of the Province of Quebec, and that the term Province of Quebec, as far as this Supreme Council is concerned, shall mean the Province of Quebec and those Counties of the Province of Ontario above enumerated.

Fraternally submitted,

J. W. MURTON, 33^o,
Deputy for Ontario.
