## The Edison AMBEROLA

Compare the external beauty of the Amberola with that of the highest grade piano, and you will find it even more charmingly designed and just as beautifully finished. Consider the lifetime of study required to become a proficient piano player. You need no musical training whatever to enjoy the Amberola.

Now compare the Amberola with a player-piano. Anyone can operate a player-piano, but when all is said and done, it gives you nothing but piano music. The Amberola gives you all the best music of all kinds—Grand Opera, Orchestra, Band, Sacred Music, Songs and Ballads, Rag Time and Dances.

It is the limitless entertainer
