WE HAVE a few Overcoats that we have a few of the best wrestlers, if the offer some of the best wrestlers. If the offer could be accepted it would create interest. Harry Ludecke is in the city and is anxious for a match; Jim Prokos will be back in St. John in a short time, and, in addition, Dan McDonald, is a resident of this city. Surely these three stars could more than astisfy Kilonis. He is heavier than any of the three and is an exceptionally elever wrestler, besides being a capable man to rough it when he takes it into his head. The wrestling enthusiasts would get their money's worth if Kilonis came this way.
