GOOD THINGS COMING TO THEATRES OF ST. JOHN

"EVERYWOMAN," MADE INTO GREAT PICTURE, HERE ON MONDAY

Big Allegorical Play Has Been Filmed on an Elaborate Scale.

The famous morality play, "Everywoman," has been made into a motion picture and will be shown at the Imperial Theatre for two days beginning Monday. The story is declared to have been filmed on an extremely lavish scale and to abound in beautiful settings, lovely women attired in handsome gowns, and spectacular effects. Against this extravagant background, Walter Brown's celebrated allegory of life and its temptations is acted by an extraordinary cast of players. The role of Everywoman is played by Violet Heming, a beautiful actress well known on the stage and the screen. Monte Blue has the part of Love, Wanda Hawley is Beauty, and Theodore Roberts is Wealth. Others in the company include Margaret Loomis, Mildred Reaction, Bebe Daniels, Irving Cummings, Raymond Hatton, Noah Berry, Charles Ogle and Tully Marshall. The picture was directed by George H. McFarland and is released as a Paramount Artcraft photoplay de luxe. Usual prices—no increase.

FAREWELL TONIGHT

Popular Young-Adams Company at Queen Square Theatre.

The popular Young Adams Company headed by H. Wilmot Young and Marjorie Adams, will close their engagement tonight at the Queen Square Theatre where they have been playing for six weeks. Mr. and Mrs. Young have made many friends in St. John during their several visits and many of them will turn out tonight to bid them farewell. "The Trail of the Loneoone Pine" will be the play and the members will make speeches and Mr. Young by request will recite Jean De Press and The Face on the Floor. The advance sale is large and bespeaks a bumper house.

An excellent line of pictures will be shown at The Queen Square next week. Same old prices will prevail.

MIGHTY FINE PICTURE

"The Purple Cipher," Unique, Monday

The lover of mystery stories will find "The Purple Cipher" to his liking. It is a tale of a young man who becomes entangled with a Chinese secret organization and offers Earle Williams unusual opportunities to display his histrionic ability. Beautiful scenic backgrounds, many of them taken in San Francisco's Chinatown, enhance the value of the picture. The love interest is well sustained and a network of suspense, thrills, mystery and intense dramatic situations. Submarines, shipyards, beautiful estates and golf links furnish atmosphere for the production. Each person will find something that appeals strongly in this film. It will grip you and hold you in its power from the very first flash. You will want to see it a second time.

AN EARTHQUAKE

Ottawa, Oct. 22—An earthquake was registered at the dominion observatory at the experimental farm this morning. The first preliminary tremors arrived at 7 hours 20 minutes and 46 seconds, standard local time. The distance to the centre was 7,880 kilometers or 4,890 miles. The tremors kept going for about one hour.

AIR OF MYSTERY ENSHROUDS THE OPERA HOUSE

Astounding Performance of Anna Eva Fay, an Advanced Scholar in Mental Telepathy — Other Feature Vaudeville Numbers.

The astounding performance of Anna Eva Fay at the Opera House yesterday afternoon and last evening is today the talk of the city. Miss Fay undoubtedly stands in the foremost ranks of the mystic. She is of slight build with eyes that look and penetrate and as a conversationalist is exceptionally brilliant. Her act has a direct bearing on one of the great sciences known as mental telepathy and her answers to numerous questions were given in a brief unhesitating manner. Scores of patrons were on hand with their questions. Miss Fay says that it is the power of mind over matter and does not hinge on occult forces or magic. She says that her performance is primarily to help her fellow citizens and by this method alleviate suspense etc. Her answers to questions caused a mild sensation and she is without doubt an advanced pupil in the realm of thought transmission without any apparent intervention of physical forces or agencies. She will be a feature attraction at the Opera House today and again on Monday.

In addition to talk acts there are four other highly enterprising numbers. The performance opens with another episode of "The Third Eye," a popular and thrilling motion picture serial, after which Nina Davis appeared in a singing, dancing and electric novelty. The performance was greatly enjoyed and she was accorded hearty applause.

Lovent and Parks followed and in a bright singing and dancing number made a decided hit. They are pleasing singers and their duets were tuneful, evoking considerable applause. The lady member is a dainty dancer and her partner a talented pianist.

Seymour and Lawrie won popular favor when they appeared in a scientific dancing offering. Their step dancing and eccentric steps were brilliantly executed and all was thoroughly appreciated, while their singing and repartee were equally popular.

The Australian Millers and Lola were well received in a musical novelty. The former played on various instruments, while the latter gave a highly entertaining exhibition of contortion. The entire performance made a decided hit and there is no doubt the seating capacity of the Opera House will be taxed at all performances today and on Monday.
