

IRELAND COMES TO HER OWN

Historic Privy Council at Buckingham Today

King Signs Irish Free State Proclamation and Appoints Healy First Governor-General—Treaty Anniversary—Cosgrave Ill.

(Canadian Press) Dublin, Dec. 6.—The first formalities marking the inauguration of the Saorstas Eireann, or Irish Free State, will take place today.

The first ceremony of the day is the administration of the oath of office to Timothy Healy, the new Governor-General, by the Lord Chief Justice of Ireland.

The Union Jack of Britain has been furled officially throughout the Free State, giving place to the green, orange and white tricolor.

The new Irish postage stamps go into circulation today, though to a limited extent, and British stamps unchanged for use in Ireland will continue to be sold for some time.

London, Dec. 6.—An historic privy council, held in Buckingham Palace this morning, dealt chiefly with the establishment of Ireland as an independent commonwealth.

King George signed a proclamation giving effect to the new Irish Free State and also a proclamation appointing Timothy Healy as the first governor-general of Ireland.

This is the anniversary of the signing of the Anglo-Irish treaty, and it is recalled that not a single signatory remains a member of the Saorstas government.

Arthur Griffith and Michael Collins are dead. Robert C. Beckett has joined De Valera; George Cavanagh and Eamon J. Dugan have retired; Eirinnke Children has been expelled.

The only man whose name was affixed to the articles of agreement and who still holds an official post is John Charles, the Free State representative in Berlin.

Dublin, Dec. 6.—Eamon De Valera yesterday issued a Royal Decree compelling all citizens of the republic to refuse to pay income tax, land commission annuities and other rents or dues to the occupied district board.

COSGRAVE ILL. MUST TAKE REST. London, Dec. 6.—William T. Cosgrave, head of the Irish Free State Government, has been ordered by his doctor to take a two months' rest, says a Central News despatch from Dublin.

He expects to go to southern France immediately after the formalities of inaugurating the new Dominion Government.

TWO CIVIC RINKS. Fredericton last evening approved of the proposal to have two open air civic skating rinks in Fredericton this year, as urged by the Rotary Club.

The sum of \$250 was voted for the project and there will be a rink for the children in the West End as well as one at Queen's Square similar to that maintained last year.

Clayton Co. Undertakers and Embalmers. We are ready to serve you any hour day or night. Up to date stock and equipment at reasonable prices.

Notices of Births, Marriages and Deaths, 50 cents

BIRTHS. WOOD.—On Dec. 2, 1922, to Mr. and Mrs. C. Wood, 51 Gullford street, West St. John, a daughter, Catherine Mary.

DEATHS. ELLIS.—On Dec. 4, 1922, at the residence of his son-in-law, C. H. Peters, 91 Leinster street, Thomas Ellis, leaving one son, three daughters and one brother.

FRASER.—Suddenly, in this city, on December 6, 1922, John McLean Fraser, son of Mr. and Mrs. William A. Fraser, leaving, besides his parents, a loving wife, two brothers and two sisters to mourn.

McKERRON.—At the Mater Misericordiae on Dec. 5, 1922, Catherine Mary daughter of the late Wm. and Catherine McKernan of Halifax.

IN MEMORIAM. RICHARDS.—In loving memory of the late John Richards, who departed this life December 1, 1922.

GOOD THINGS COMING TO THE THEATRES OF ST. JOHN

ANOTHER DOUBLE BILL AT IMPERIAL

The powerful west-town drama "White Satan Sleeps" starring strenuous Jack Holt and Fritz Brunette is filled with vital punches physically and emotional climaxes that contain tremendous appeal to all classes of picturegoers.

It is Peter B. Kyne's well-known story, "The Parson of Panamint," which was done in pictures in the old-fashioned days of eight years ago but which in today's wonderfully gripping Paramount production is brought out in all its vigor.

It is the story of an escaping crook who, masquerading as a clergyman to escape detection, becomes regenerated in spite of himself. In addition to this is a wonderfully clean and child comedy of the Century brand will be supplied by the Universal Company. There will also be the Pathe News budget.

MAYOR'S LETTER TO BOUJ DEALERS

Objects to "Highly Confiscatory" Statement in Telegram—Also to Reference to Investment.

Mayor Fisher is today drafting a reply to the most recent communication from the Bouj Dealers' Association of Canada in connection with the purchase of the New Brunswick Power Co.

ANNOUNCE CURE BY NEW TREATMENT. Case of Diabetic Coma Successfully Arrested.

Insulin Serum Discovery of University of Toronto Graduates Found Effective in New York—Gangrene Stayed by Another Discovery.

(Canadian Press) New York, Dec. 6.—With the recording of what is believed to be the first case of diabetic coma to be successfully arrested in the annals of medicine in this city, medical authorities today expressed high praise for the treatment used—the insulin serum—a recently reported discovery of Drs. F. G. Bantlin and C. F. Best, two University of Toronto graduates.

ANNOUNCE CURE BY NEW TREATMENT

Case of Diabetic Coma Successfully Arrested.

Insulin Serum Discovery of University of Toronto Graduates Found Effective in New York—Gangrene Stayed by Another Discovery.

(Canadian Press) New York, Dec. 6.—With the recording of what is believed to be the first case of diabetic coma to be successfully arrested in the annals of medicine in this city, medical authorities today expressed high praise for the treatment used—the insulin serum—a recently reported discovery of Drs. F. G. Bantlin and C. F. Best, two University of Toronto graduates.

"The insulin treatment taken from the pancreas of a pig is undoubtedly one of the greatest scientific contributions of modern times," said Dr. Thomas Howell, superintendent of New York Hospital, where the successful cure was reported.

Sixteen year old George Van Hessel of Brooklyn was taken to hospital three weeks ago in a diabetic coma, a state in the disease which heretofore has been regarded as hopeless. He was given the insulin treatment and a few days ago was discharged.

With careful dieting and periodic injections of the pancreas extracts, physicians said, his life will not be endangered by the disease. Medical authorities said that with a wider knowledge of the treatment material relief should be afforded to the estimated million sufferers of diabetes in the U. S. today.

Gangrene Also. Successful use of a serum to arrest the progress of gangrene was also claimed with the announcement that Edward Trainor of Oshawa, who was discharged from St. Mark's Hospital last night, Trainor, whose foot were frozen ten years ago, was admitted to the hospital in last March after he had lost both legs and several fingers which had been amputated in an effort to stay the progress of the gangrene. He was cured after thirteen injections of a serum discovered by Dr. Benjamin Jablon who began experiments with it attached to the laboratories of the U. S. Expeditionary Force in France.

WATCH YOUR STEP. Don't Miss This Chance

The buying opportunity of the season is soon to be announced to the public of St. John. Be on your guard to take full advantage of the greatest pre-war-shattering sale of the year.

A glance over our prices will convince you that we are offering the best values in men's and boys' clothing and furnishings in good faith by investors in both countries.

A simple statement of the case is that if there should be competition, it will be because the company elects to compete, as it has an opportunity to sell to the city at the future five per cent. The statement that "exclusive of common stock and current advances by banks, investors supplied \$8,000,000."

The face values of securities purchased by the investors is a little over \$2,000,000, but you must know that these securities were sold at rates very much below par, the difference being some hundreds of thousands of dollars, so that the amount invested is considerably less than \$8,000,000, instead of above that figure.

There is a great deal more which might be said, as our people are well informed on the subject, but I trust you will see nothing further to correspond to in letters to our city, you should retract the statements.

Yours very truly G. FRED FISHER, Mayor.

TEAM FROM JOGGINS. Amplest News: Bowling is Joggin's big game this winter and if the players keep on bettering their form, a team will be sent to St. John to take part in the annual tournament.

Incidentally the Joggin players are strongly in favor of a Nova Scotia tournament. If a certain amount of encouragement could be secured from Sydney, Glace Bay and New Glasgow allies, Halifax, Truro, Joggins and Springdale would send teams along.

AN ONTARIO SENATORSHIP. (Special to The Times.) Ottawa, Ont., Dec. 6.—Considerable difference is attached to an interview yesterday between Premier King and Dr. J. A. Rankin, M. P. for North Perth, in view of the vacancy in the Senate caused by the death of Hon. Wm. Proudfoot. One report is that Dr. Rankin was not here today on his own account, but on behalf of Reuben E. Truax, a defeated Liberal candidate for South Bruce.

Mauretania Into Dry Docks. Southampton, Dec. 6.—In consequence of trouble with her turbines the Cunard Line steamer Mauretania will go into drydock for overhauling. She will resume her trans-Atlantic sailings until the new year.

FUNERAL NOTICE. The Officers and Members of No. 1 Co., S. C. and F. P., are requested to meet at No. 3 Engine House, Union street, on Thursday afternoon, December 7, 1922, at 2 o'clock, for the purpose of attending the funeral of our late member.

J. M. FRASER. Officers and members of No. 2 Co., S. C. and F. P., and of the Fire Department are invited to be present. By order. E. PERCY HOWARD, Secretary.

CORNS

Lift Off with Fingers

Doesn't hurt a bit! Drop a little "Freezole" on an aching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers. Truly "Freezole" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.

Successful use of a serum to arrest the progress of gangrene was also claimed with the announcement that Edward Trainor of Oshawa, who was discharged from St. Mark's Hospital last night, Trainor, whose foot were frozen ten years ago, was admitted to the hospital in last March after he had lost both legs and several fingers which had been amputated in an effort to stay the progress of the gangrene.

GLOUCESTER BY-ELECTION BEFORE SESSION

Date Not Considered Yet—Government Again in Session—Fredericton Wants Lecturers.

(Special to The Times) Fredericton, N. B., Dec. 6.—The Provincial Government devoted the morning to the schedule and transacted much business. The Board of Education met this afternoon with a lengthy session after a long day of the day.

The Premier stated that the matter of the by-election in Gloucester County to fill the vacancy caused by the resignation of John G. Robichaud to take the federal nomination had not yet been considered, but he could say that the by-election would be held before the opening of the Legislature.

The Premier said also that no decision had been reached yet in regard to a disputed timber berth sale in which Charles Anderson of McAdams claims that a berth lot in his own name was sold to Luther B. Smith of St. John. Game Warden John R. Kelly turned five rifles into the office of the chief game warden here today. They had been seized by the warden in a lumber camp during the close season in illegal and the firearms are liable to seizure.

An effort is being made to have Fr. D. Rivin included in the lecture tour being arranged in Canada by the National Education Council. Lecturers will be prominent men from England, including possibly Sir Henry Newbolt, "Mr. Bland" Bland Powell and Sir Michael Sadler.

Timber berths to be sold at auction at the Crown Land Office today were Fr. D. Rivin, who has been spending a few days in Montreal since their marriage in St. John, on November 22, arrived in the city on the Ocean Limited on Sunday afternoon and will spend a few days here with Mrs. Perry's parents, Mr. and Mrs. J. W. Fraser. From Moncton they will go to New York for a couple of weeks before proceeding to Central America.

Frank Chisholm, president of the Nashua Pulp and Paper Company, arrived in the city today in his private car "Boston," which was attached to the Montreal train. He will leave this evening for his home in Portland, Me.

Miss Elizabeth Bartlett of Newnam street has returned home after an extended visit to friends and relatives in Pittsburgh, Boston and Bangor. While in Bangor she was the guest of Mrs. N. Hathorne, Essex street.

Hon. W. F. Roberts, M. D., Minister of Agriculture, returned to the city today from Fredericton. Percy W. Thomson and F. M. Senneker returned to the city today from Fredericton.

Mrs. Percy Freeze of Hampton is in the St. John Infirmary and underwent an operation there yesterday.

PERSONALS

Moncton Transcript—Mr. and Mrs. J. J. Perry, who have been spending a few days in Montreal since their marriage in St. John, on November 22, arrived in the city on the Ocean Limited on Sunday afternoon and will spend a few days here with Mrs. Perry's parents, Mr. and Mrs. J. W. Fraser. From Moncton they will go to New York for a couple of weeks before proceeding to Central America.

BECK VINDICATED

STAYDOWN TAKEN FOR RADIAL ROAD

Dominion Railway Commission Award Backs His Claim Against M. C. R.

London, Ont., Dec. 6.—Sir Adam Beck's competency to protect the people's interest in the operation of public utilities, even when pitted against the strongest forces that a great private corporation is able to present, was again vindicated last week when the Dominion Railway Commission brought down its arbitration award fixing the amounts which the Michigan Central Railway shall pay to the London and Port Stanley Railway for hauling M. C. R. freight trains between London and St. Thomas.

Since electrification of the L. & P. S. C. R. has had an agreement to haul M. C. R. freight trains between the two cities and to do M. C. R. switching in London with the city's electric locomotives at a certain price per car. This agreement provides for revision of the haulage charges by negotiation or arbitration every five years.

Company's Offer Refused. The first five-year period expired in 1920, and Sir Adam, acting for the London Railway Commission, of which he is chairman, negotiated with the M. C. R. officials for payment of better haulage rates to the city road. The M. C. R., after some dithering, offered to pay the former rates, but Sir Adam persisted in the fight and refused to accept the offer.

The effect of the Dominion Railway Board was called upon as an independent body to arbitrate the issue. The M. C. R. made a formidable staff of experts and lawyers and prepared very strong case. This was met by Sir Adam with an equally formidable staff of experts and engineers to check both sides of the case, and, as a result, an award was made that gives the city road \$7.50 per loaded car in transit over twelve, whereas the Michigan Central had offered \$6 and had formerly paid \$5. For empties in transit of twelve the city will be paid \$5 instead of \$4. The award is for a five-year period beginning December 31, 1920, and the city will receive an adjustment of the rate every five years.

The Dominion Railway Board sent its experts and engineers to check both sides of the case, and, as a result, an award was made that gives the city road \$7.50 per loaded car in transit over twelve, whereas the Michigan Central had offered \$6 and had formerly paid \$5. For empties in transit of twelve the city will be paid \$5 instead of \$4.
