was very satisfactory to the supporters space this week any farther. less of the Opposition.

speech of the Prov. Sec'y. Found fault in the as fully understood, as to be entirely devoid of special interest to the country, dwelling however on only one new point and that is found in report of the Secretary for Agriculture, because the agricultural implements of a leading manufactory in Outario are favorably noticed. The St. Andrews Standard. Much effort was made to convince the House that great injustice had been done. He dealt with the several departments and seemed to consider the Sur. General's Department about the worst of them, charging that the Sur. Cen. spent most of his time at ho ne, gave little at tention to it except by telegraph: that the staff was very large. The Attorney General's conduct of the Criminal Justice was very ineffii ent, and a great number of statements which in the subsequent stages the debate, were and closed by moving a vote of condemnation and on their general administration of Public

Agricultural Report, showing that there was noticed by the Government from no intention to injure the manufacturers of the Province. That they had been invited to present to the notice of the farmers the impresent the notice of the farmers the impresent the notice of the farmers the impresent the notice of the farmers the im do so. But that as the report of the Secretary ment to take place, who in the present of Agriculture was really intended for the farmers, no injustice was done them by pointing out where they could get first class articles. Mr. Burns followed in an able clearly digested and forcibly delivered charge in support of his leader Mr. Covert. [which we are obliged to tion. There is a vast deal of buncombe in omit from our correspondent's letter tilts week. the Opposition speeches. He spoke-for upwards two hours, when the Sur. Gen. moved an adjournment, which gave

him the right to the floor on Friday at 2:30.7. It is probable your readers will be anxious to have a full report of the Surveyor Genaral's of the session will soon be brought to close Muritime Provinces. speech, I could not do it justice in this letter. it was the best effort that hon, genti-man ever made in the House.

He commenced in the manner of one the charges that Covert and Burns made against his Department; expressed no surprise that very of stolen goods. True bill. the amendment to motion of going into supply had been made, that the Government had een so long accustomed to these, that they ould feel almost unhappy if they were not atschool in this the usual way: that he thought they would consider themselves very happy in one to the country with no more serious charto be formulated against them, than were a tained in the amendment. He compliment Trovers Burns for his good speech, dealt with him the Leader in fact, and thought that the Opposition did themselves great injustice in permitting themselves to be led by Covert.

He showed by reference to the different expenditures, that the charge of expending without the authority of law, as made by Burns and Covert would not lie, for the few heads under which there were overexpenditures, were for services for which provision is expressly made by Statute, and not services for which money over expenditure was for Free Grants Act and surveys, which are expressly provided for by law. The Sur. Gen. went through the several heads of expenditure, and showed Burns and Covert did not fully understand the matter .--Covert had attacked the Crown Land Department; the Sur. Gen. proved by reference to the administration of the Crown Land Departthough he submitted that the proportion of receipts was not an absolutely fair criterion by which to judge, for the Department was also a registry of all the titles in the Province, and would have to be conducted even its receipts dilection and protection under the stumpage years.

System were lower than in Maine and lower can generally paid by private individuals Covert had charged that the lumber trade page was burdensome, the imposition of it was

in California, sent to his mother, we cheerfully Testimonial from Capt. Joshu & Harper

Take this letter to my mother, Far across the deep, blue sea

Far across the deep, blue sea; It will fill her heart with pleasure, She'll be glad to hear from me.

How she wept when last we parted!

How her heart was filled with pain!

When she said "Good-bye, God bless you,

We may never meet again." She'll be glad to hear from me

Take this letter to my mother, It will fill reh heart with joy; Tell her that her prayers are answ God protects her absent boy. Tell her to be glad and cheerful. Pray for me where er I roam.

And ere long, I'll turn my footsteps

Back towards my dear old home.

Take this letter to my mother, It is filled with words of love, If, on earth, I'll never meet her, Tell her that we'll meet above. Where there is no hour of parting,
All is peace and love and joy,
God will bless my dear-old mother,
And protect, her only boy.
