DREAST AUTUMN COSTUME shown in the first cut. This handsome cinnamon brown tweed suit is set off with filet guipure embroidery. With the stylish Louis XV. jacket is worn a long white cloth waistcoat with turn-down collar in white and gold. The olivette buttons, rosettes and tassels

are in silk gimp. The quaint ivory felt hat is barred with brown velvet ribbon and ornamented with ostrich tips in shaded

ivory and brown. The little sack paletot costume of the second cut is also in brown cloth trimmed with woolen passementerie and laced with cords. One of the fashionable long plumes trims the felt hat. The popular long basque appears in the second model of the cut. This cloth costume is carried out in blue, one of the modish colors of the autumn. The coat is trimmed with black velvet passementerie, scalloped at the edge, while small turned back revers of white cloth close the front.

It is pleasant when fashion and util-ity go hand in hand. Nothing wears

CLOTH GOWNS.

cloth or velvet. Very useful these are, and as the season advances they will be lined with fur. The Eton princess is a new "three piece" suit, the piece additional to the coat and skirt being cut to combine in itself a high girdle and coat skirts of three-quarter length.

AMY VARNUM

Ebonizing the Mantels. A five cent box of lampblack mixed with an equal amount of turpentine will go a long way toward ebonizing mantles, rockers, etc. After painting let dry and apply two coats of varnish.

If the pastry is burnt grate off the blackened crust, touch lightly with milk and white of egg, sprinkle with sugar and brown again.

DEPENDS UPON THE RESULTS.
