ST. JOHN STAR, THURSDAY, SEPTEMBER 6, 1906.

SEVEN

UNION CLOTHING COMPANY,

26-28 CHARLOTTE ST., Old Y. M. C. A. Building, ST. JOHN, N. B.

DID YOU EVER?

DID YOU EVER HEAR A MAN--A man that you could believe--say that he ever bought a garment here that didn't give him satisfaction? AND IF he did, did you ever hear him say that we refused to make it satisfactory, whether the fault was his or ours?

Did you ever hear a man say that he bought something here and found out later that he could have bought it for less money elsewhere? DID YOU EVER hear of us as "high priced." NEVER!

YOU ARE ALWAYS WELCOME to come and look. The values we offer need no word painting. Our Fall Clothing is now ready--All visitors welcomed--See a few leaders quoted below!

NEW SUITS AND OVERCOATS

You will find our Suits and Overcoats are far better than our prices would indicate.

UNION CLOTHING COMPANY,

26-28 Charlotte St., Old Y. M. C. A. Building, St. John, N. B. ALEX. CORBET, Manager.

16,172 PEOPLE AT THE BIG FAIR YESTERDAY

Another Record Broken---Total Attendance up to Date
3,000 Ahead of 1904's Figures---Great Crowds
From Out of Town---Pike and Amusement Halls Doing
an Enormous Business---Fine Fireworks.

The crowds present at the exhibition grounds yesterday were inspiring in their volume. The weather was ideal, and the people took advantage of it. Wednesday's record for 1904, was exceeded by about 700, the total attendance yesterday being 16,172.

The total attendance now exceeds by about 3,000 the attendance for the same days in 1904, and the management are exceedingly jubilant at the splendid results attained by their vigorous campaign of publicity.

There was about the usual number present in the morning, but from 12 o'clock until four, and from seven until nine, a steady stream of people poured through the gates. It became apparent between seven and eight o'clock that the figures would go considerably above Tuesday's total, but it was not until the throngs began to surge out to the grounds to see the fire works, that a full realization was obtained of the crush, which was so great that to get in or out of the building or along the Pike was almost impossible. It was a sea of people, this jam continued without abatement until about ten o'clock, when the people began to drift out gradually.

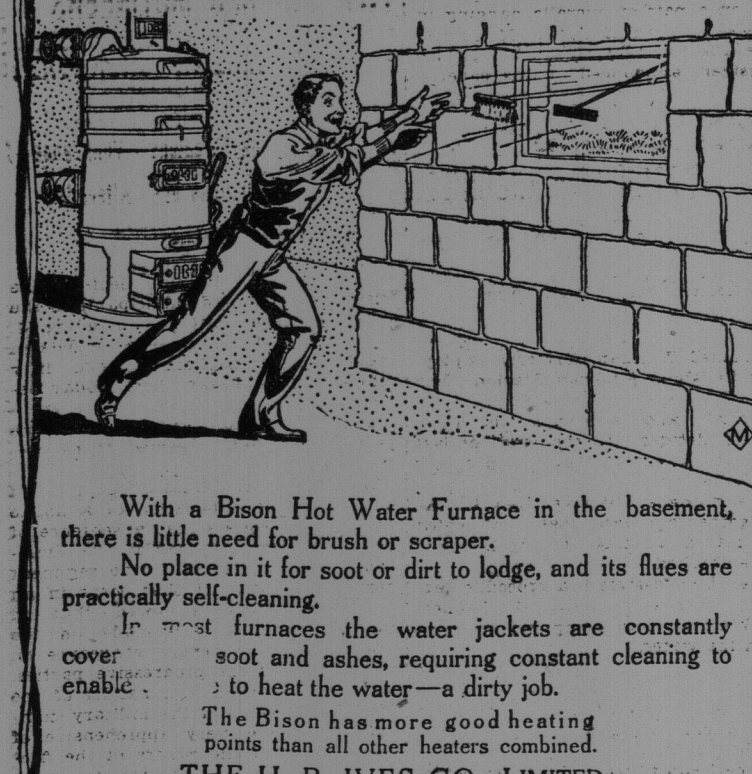

At eleven o'clock there was still a large number of people about the grounds.

The Pike broke all previous records last night, the moving picture tent and all the smaller side shows being packed all the time. In fact, there did not seem room for many more people to get around. The people were wedged in so tightly in all directions that it was decidedly uncomfortable to get around. Hats were knocked off, coats, gowns, ruined by heavy feet, and here and there the floor was adorned with remnants of dainty finger delicacies.

Mr. Spencer's additional attractions at the Hippodrome made a big hit. The Akers are, exceedingly clever acrobats, while Mascher, the trapeze performer, is one of the best ever seen here.

Yesterday the judges finished up their work in the cattle department, but the superintendent did not turn in his books. There are still a few classes of horses to be judged. The judging of dogs was also finished. Today the poultry and swine people began to drift out gradually.

BISON FURNACE

With a Bison Hot Water Furnace in the basement, there is little need for brush or scraper. No place in it for soot or dirt to lodge, and its flues are practically self-cleaning.

In most furnaces the water jackets are constantly covered with soot and ashes, requiring constant cleaning to heat the water--a dirty job.

The Bison has more good heating points than all other heaters combined.

THE H. R. IVES CO., LIMITED,
MONTREAL.

While the quality of the cattle show at this exhibition is high, the classes are not so well filled as at the last show.

The children from the free kindergarten attended the exhibition yesterday--about forty in number--and went through a physical drill. This was in connection with the town's Local Council department. The children went through many and various evolutions very successfully and were loudly applauded upon the completion of their performance.

Between thirty and forty children from the Western Orphan Asylum also attended the fair yesterday. The children from this other orphanage, institutions have been invited to attend on Saturday next.

The executive officers of the exhibition association held a meeting in the manager's office last night, after the close of the day's work. Routine business was transacted.

In conversation with representatives of the morning papers, Manager Milligan told why the sale ship was not brought to the fair. This attraction was to have been one of the star features at the exhibition, but the management of that exhibition made a contract with the manager of the air-ship, who was to be attending the fair and making ascensions, having the stipulation in his contract that ascensions would not be made if the weather was not favorable. The affair had been extensively advertised, but when the time for the ascensions came round, the air-ship man claimed the weather to be unsatisfactory, and refused to take the trip, even though he was offered a bonus of \$500 for every flight.

The secretary of the Brockton Association informed Mr. Milligan of this, and after some further unsatisfactory correspondence with the air-ship man, the deal was declared off, as it was decided that the "Haseo" of last year in Brockton should not be repeated here. This feature also proved a failure at the Winnipeg fair this summer, and the management are now congratulating themselves upon their escape from this attraction.

The judging of horses was continued in the large ring yesterday afternoon. That horses are a live attraction was shown from the crowds lining the fence around the track. The grand stand was fairly well filled with spectators also.

Some of the classes brought out extra good horses, and the judges were also extra good.

In the Hackney Class John W. Dickie, W. W. Black, and Hugh R. McKinnage had some very promising looking horses entered.

The class for standard bred horses also brought out some good entries, those of Jas. D. Reid, Hugh R. McKinnage, Alex. Clark, and Guy Carr being the best.

In the class for carriage horses two local men succeeded in getting first, E. V. Millidge gaining the certificate on his brood mare with foal by her side, and also getting the premium for the foal of 1906.

E. L. Jewett gained the McAvity Cup, offered for the best carriage mare or gelding over 15 1/2 hands high--bred and owned in New Brunswick. Mr. Jewett's mare "Lou" was the winner.

In the Roadster Horses in Harness class, W. H. Barnaby of this city won first prize for the best matched team. His horses were particularly well received by the spectators.

The pony class was a great favorite with everybody, the points and rigs being exceptionally good. Only one section of this class filled, that for a pony in single harness, twelve hands and under. Both prizes were taken by St. John entries, David Russell, Jr. landing first place, and Master Ronald Bond gaining second.

HORSES

Class 2--Hackneys.

Stallion, 4 years old and upwards--1st, John W. Dickie, Gagetown; 2nd, Hugh R. McKinnage, Sussex; 3rd, Stallion, any age--Diploma, John W. Dickie.

Yearling Filly or Gelding--1st, Hewling Scott.

Foal of 1906--1st, B. V. Millidge, over 15 1/2 Hands, bred and owned in New Brunswick--Silver Cup donated by the St. John's Society--1st, E. L. Jewett, St. John, "Lou."

Class 5--Roadster Horses in Harness.

Filly or Gelding, 3 years old--1st, John W. Dickie, Gagetown; 2nd, Hugh R. McKinnage, Sussex Corner; 3rd, G. E. Nugent, St. Martin's.

Matched team--1st, W. H. Barnaby, St. John; 2nd, W. H. Allen, Penacoe, N.B.

Class 17--Ponies.

Pony in single harness, 12 hands and under--1st, David Russell, Jr., St. John; 2nd, Master Ronald Bond, St. John.

DOG SHOW

The judging in the dog show was completed yesterday afternoon. The following classes were judged:

Wire-haired Fox Terrier Dogs--First prize and special, LeBaron Wilson.

Wire-haired Fox Terrier Bitches--1st, LeBaron Wilson; 2nd, Bruce Walker.

Alfordale Terrier--1st, B. F. Lenihan.

Boston Terrier Dogs--1st, John Condon; 2nd, A. L. Fowler; 3rd, A. L. Fowler.

H. W. Lacey, the judge of the show, left for his home in Boston last evening. He expressed himself as greatly pleased with the show, and said there was some very good stock among the local fanciers. Mr. Lacey bought one of Mr. Blackall's Newfoundland pups before leaving.

GREAT PREPARATIONS FOR CHATHAM FAIR

Carpenters, Decorators and Electricians Busy--Cattle Stalls Being Thoroughly Cleaned.

CHATHAM, N. B., Sept. 5.--The Chatham exhibition opens Monday, Sept. 11, and will continue until Saturday. The entries are coming in fast, and preparations are being made for the biggest fair yet held. Carpenters, decorators and electricians are now at work getting the big building in shape. New plank walks are being laid outside. The cattle and horse stalls are getting a thorough cleaning, and floors are being put in all the stalls and pens. The tent for the Dida and Helman the magician performance has arrived and will soon be put up. When that is finished the men will turn their attention to the pike, which Messrs. Spencer and Cohen have laid out. Outside of the exhibition proper there will be horse races, a visit from the German warship and the various amusement features during the week.

THE TUPPER-MOVIE WEDDING AT FREDERICTON

FREDERICTON, Sept. 5.--The wedding took place this afternoon at the residence of the bride's parents of Ada, daughter of Mr. and Mrs. Chas. A. Tupper, and Chas. A. McVey, assistant engineer of the provincial government. Rev. J. H. McDonald, assisted by Rev. William McDonald, tied the nuptial knot. After a bridal luncheon the newly married left on the 5.30 train on a honeymoon trip to Upper Canada.

Richard Bolt of the State of Maine, formerly of St. John, has been appointed lay reader and assistant to the Rev. J. R. DeWolfe Cowie, rector of Fredericton. Mr. Bolt does not receive the appointment cure but will assist the rector while pursuing his theological studies in Fredericton. Mr. Bolt is about 40 years of age and comes highly recommended as a scholar and faithful worker.

James Ryan of Andover was run over by a sloop at that place yesterday. He received some very serious cuts about the head and face and is not expected to live. He is a man of about 43 years of age. After the accident he was hurried down to Hartland by the C. P. R. A report is circulated that the horse that ran over him was killed later in the afternoon by an express train.

SEVERAL AFTER OTHER NAMES PRESTON'S JOB ARE MENTIONED

Bruce Walker and Ralph Smith, M. P., the Principals.

C. P. R. Engineers and Surveyors at Work--Dominion Dental Council--Want Tariff Reduced

Names of Prof. E. Brydson Jack and Dr. Scott, Have Been Suggested--Another Meeting Today

MONTREAL, Sept. 5.--The Star's London cable: Hon. Frank Oliver, minister of the interior, interviewed today agents that he has gone thoroughly into immigration matters. The name of Preston's successor in London will not be published until Oliver has conferred with his colleagues at Ottawa. Two names are mentioned in official circles, namely, Bruce Walker, now Canadian agent in Glasgow, and Ralph Smith, M. P. for Nanaimo.

TORONTO, Sept. 5.--At the annual meeting of the Independent Telephone Association, it was stated that there were 73 independent companies in Canada, with 324 shareholders, 12,073 subscribers, and \$850,000 capital. Hon. Colin Campbell of Winnipeg told of Manitoba's struggle for different service from that of the Bell Company and said it was hoped to cut Bell prices in two in that province.

MONTREAL, Sept. 5.--Sir Thomas Shaughnessy, president of the Canadian Pacific, announced today that the company's engineers and surveyors are looking over the ground with a view to determining whether the management will build a line from their line from Tweed to Toronto, running through Owen Lake water front. The surveying party under the direction of Harry Williams, divisional engineer of Toronto, began this week preliminary surveys, starting from Bellevue and working westwards. The line would pass through Trenton, Colborne, Brighton, Coburg, Port Hope, Newcastle, Bowmanville, Oshawa, Whitby, Pickering and Scarborough.

BOWMANVILLE, Ont., Sept. 5.--Fire this morning caused \$25,000 damage to the Durham Rubber Co.'s works.

TORONTO, Sept. 5.--The Farmers' Association this morning adopted a resolution calling on the Laurier government to reduce the tariff, and asking the Trades Congress of Canada to join the farmers in agitation. Dr. Goldwin Smith, in his address, said he believed the northwest was being settled too rapidly and that Ontario would feel the strain very severely.

MONTREAL, Sept. 5.--The chief matter of business before the Dominion Dental Council was the question of accepting foreign degrees. Heretofore the council has refused to accept these on the ground that they were of inferior standing and Canadian dentists are not given any standing in foreign countries. Nova Scotia and New Brunswick favored accepting foreign degrees of a standard equal to our own, but the council negatived the proposition, holding that reciprocity could not be obtained by yielding all our privileges for nothing. All of the present board of directors were re-elected and the election of officers present was again chosen as follows: President, Dr. Harry R. Abbott, London; vice president, Dr. S. W. McInnes, M. P. P. Brandon; sec. treasurer, Dr. W. D. Cowan, Regina. The time and place of the next meeting was left to the executive committee.

OTHER NAMES ARE MENTIONED

Chancellorship May Be Filled Temporarily

Names of Prof. E. Brydson Jack and Dr. Scott, Have Been Suggested--Another Meeting Today

FREDERICTON, N. B., Sept. 5.--The senate met again this afternoon, but held only a short session. Dr. Inch announced that during the recess he had received a telegram from the premier stating that he would be here tomorrow afternoon, and senate adjourned until that time.

There is no doubt but that the general feeling among the members of the senate is that the appointment of a chancellor at the present time should be but a temporary one. They feel that it is a position that should not be hurriedly filled, but time should be taken in considering a selection. The several members of the senate here today do not express themselves as being either in favor or against any particular person, but all agree that the greatest deliberation should be taken in the matter. Besides the names already mentioned as being before the senate, those of E. Brydson, Dr. W. D. Scott, as well as one or two others, have been added to the list. It is also said that Dr. Brydson of St. John has no weak champions.

HAVE YOU PILES

Dr. Leonard's Hem-Roid is an internal remedy that entirely removes the cause of Piles, and cures to stay cured any case, no matter how long standing.

If you have Piles, and Dr. Leonard's Hem-Roid will not cure you, you get your money back.
