Destroys Hair Germs

Recent discoveries have shown that falling hair is caused by germs at the roots of the hair. Therefore, to stop falling hair, you must first completely destroy these germs. Ayer's Hair Vigor, new improved formula, will certainly do this. Then leave the rest to nature.

Recent discoveries have also proved that dandruff is caused by germs on the scalp. Therefore, to cure dandruff, the first thing to do is to completely destroy these dandruff germs. Here, the same Ayer's Hair Vigor will give the same splendid results.

It isn't so difficult to strengthen a weak stomach if one goes at it correctly. And this is true of the Heart and Kidneys. The old fashioned way of dosing the stomach for stimulating the Heart and Kidneys is surely wrong. Dr. Shoop first pointed out this error. "Go to the weak or ailing nerves of these organs" said he. Each inside organ has its controlling "inside nerve." When these nerves fail then those organs must surely falter. This vital truth is leading druggists everywhere to dispense and recommend Dr. Shoop's Restorative. A few days rest will surely tell! Sold by All Dealers.

PETER CAMERON

Grand Manan, N. B. May 23rd, 1908
Mr. W. H. McLean, the popular livery man of Grand Manan says, "Empire Liniment cured Colic in a valuable mare of mine after other liniments had failed. The mare was off her feet and two hours after taking Empire Liniment she was up and eating and another bottle made a complete cure." I have seen nothing to equal it in my stable as a remedy for local sprains and colic.
I have also found it an effective remedy for the horse. You are at liberty to make whatever use you wish of this as the above statement is true in every detail.
Truly yours,
W. H. McNEAL
