Back to Hospital.

A young man was removed from the county jail to the Provincial Hospital about six weeks ago, and a couple of days ago was taken out by his relatives as he appeared to be much improved. Yesterday afternoon a young man called at police headquarters and acted in such a manner that he was taken into custody and conveyed back to the hospital.

Fish Market.

The stormy weather of the past few days has caused a scarcity of fresh fish, retailers having experienced some difficulty in filling orders. No changes in the prices of seasonal fish have, however, occurred. In a limited supply cod hadlock remain at 5c. per pound, halibut 15c. Mackerel bring from 20c. to 25c. each and are in good condition just now. There is no shortage as regards dried and salt fish and retailers report good sales of these staples during the week.

Eleven to Sussex.

Eleven men were sent forward to Sussex yesterday at noon. They are: Frank A. Dismore, Peter Halpeny, Wm. Jenkins, Fred Lambert, Thos. McEann, John Naves, Hugh Heaton, Craig H. Parker, Thomas W. Knox, and Charles Mallaby. One of these men, Fred Lambert, has been transferred from the detaining force of the 104th, which is stationed here, where he held the rank of Lance Corporal. He is entering the 104th as a private.

Intends to take the examinations. Veal, C. O. as soon as possible. Nut Fork Odd Fellowship. Ts. Pollard, of Yarmouth, vice-president of the Maritime Rebekah assembly, who is now visiting the different lodges throughout the jurisdiction, is now at the North Shore. On Tuesday night she visited Millerton Lodge, Wednesday evening was spent with the Rebekahs, Douglastown Lodge was visited on Thursday and Loggieville on Friday. In addition to the addresses by the vice-president, enjoyable programmes of music and addresses by prominent members of the several lodges were given, and dainty refreshments served. While in Chatham, Mrs. Pollard was the guest of Mrs. Wm. Weldon, Church street.

A Double Battalion.

The idea of having the 104th a two battalion regiment seems to be growing in favor. The men, who are enlisting, hope to be retained under the command of Colonel Fowler. The first battalion of the 104th is about four hundred overstrength and men are flocking to the colors steadily. Colonel Fowler has proved a popular commanding officer and the fact that he is in charge has been a strong drawing card. The men secured have been of a particularly high class, and all hope that the 104th will be made a double battalion regiment.

THE BOYS' CLUB OPENED FOR THE COMING SEASON

Bugle Band of 52nd Battalion assisted with selections—An Honor Roll.

The Boys' Club was opened for the season last night in the rooms at the corner of Union and Brussels streets. About seventy-five of the boys were present and from all appearances seemed to enjoy the evening to the fullest extent.

C. B. Howard, superintendent of the Playgrounds Association, presided and addresses were given by Magistrate Ritchie, who spoke on "The Boy's Best Friend, His Mother." His Worship the Mayor, W. B. Tennant, president of Playgrounds Association, and A. M. Belding. Each speaker gave the boys some good advice and praised them for the work they were doing.

The bugle band of the 52nd Battalion consisting of 18 members, under Sergt. Taylor, marched to the hall about 7.30 and rendered a splendid musical program throughout the evening. Much credit is due these boys in the manner in which they conducted themselves. Seven of them were Boy Scouts with their leader who was a Scout Master in Port Arthur before joining the 52nd Battalion. Marches were played and forty different bugle calls were given, each one in turn being explained by Sergt. Taylor.

A reading "The Legend of the Mi-namoc," written by Dr. Jas. Hannay, was given by Miss Pearl Wayne and Miss E. Davis entertained the boys with selections on a zither harp.

W. B. Tennant gave the boys to understand that he had not forgotten his boyhood days and could not forgive any man who forgot that he himself was once a boy.

A. M. Belding pointed out that sixteen boys had enlisted from the Boys' Club, two joining the colors only yesterday. They were Wm. Daley and Leslie Calahan. An honor roll is being prepared in due credit to those who are doing their duty.

The ladies of the executive assisting were Mrs. Bullock, Mrs. Taylor, Mrs. Corbett, Mrs. Tennant, Mrs. Holman, Mrs. McKeown, Miss Goodwin and Miss Delmstadt. Other ladies assisting were Mrs. C. D. Howard, Mrs. W. C. Mathews, Mrs. A. M. Belding and Miss Emery.

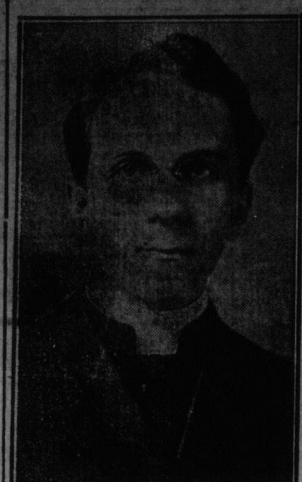

The men assisting besides the executive were R. J. Walsh and W. F. Nobles. At the close of the evening Mr. Howard expressed the appreciation of the program of the bugle band and requested that the National Anthem be sung.

EXCELLENT CONCERT BY THE MISSES LUGRIN

A treat for music lovers in Germain Street Institute.

The concert given by the Misses Lugin in the Germain street institute last evening was in every way enjoyable and the hall was crowded by an audience which showed its appreciation of the entertainment by hearty applause as each number was presented. The programme had been carefully arranged and consisted of selections from the works of some of the best known composers. The vocalists included Mrs. A. P. Crockett, soprano, and Guy H. Taylor, tenor. Mrs. J. M. Barnes played pianoforte selections during the last hour. The accompaniment by Mrs. Crockett, Mr. Taylor was in fine voice, and his rendition of Pagliacci's song "Put on Your Smock" was a distinctly fine effort. In the difficult number "Samson and Delilah" as sung in faultless fashion by Mrs. Crockett, Mr. Taylor was in fine voice, and his rendition of Pagliacci's song "Put on Your Smock" was a distinctly fine effort.

Perhaps the gem of the evening was "My Heart Thy Dear Voice," from "Samson and Delilah," as sung in faultless fashion by Mrs. Crockett, Mr. Taylor was in fine voice, and his rendition of Pagliacci's song "Put on Your Smock" was a distinctly fine effort.

SERGEANT CONRON.

Rev. M. E. Conron, formerly pastor of Portland street Methodist church, who enlisted with the 104th as a private, has been made a sergeant.

PRESENTATION OF SWORD TO COL. FOWLER

Historic feature of grand meeting in St. Andrew's Rink tonight.

The people of St. John tonight will be afforded the opportunity of recording in the annals of the province an event of more than ordinary historic importance. It is refreshing to realize that in the turmoil of the great strife now on citizens are privileged to participate in a ceremony perpetuating the glories of our soldiery even though a hundred years separate the events.

The doors of St. Andrew's rink will be thrown open about 7.15 for those who expect to be present at the sword presentation to Lieut-Col. Geo. W. Fowler, M. P. Details of this formal occasion have already been given in the press, but they are herewith repeated so that all may know them. There will be band parades from the various sections of the city as on previous occasions and the processions organized in this impromptu manner will arrive at the rink shortly before 8 o'clock. In the meantime the excellent band of the 52nd Regiment from Port Arthur will conduct a concert of semi-classical and patriotic numbers in the building and the officers of that regiment with their ladies, also other invited guests will assemble on the sword to Col. Fowler. Because of the returned hero's weakened condition it will not be possible for him to make any extended remarks.

Major Guthrie of Fredericton has been assigned the honorable duty of presenting Lieut. Fowler's sword to Col. Fowler. Because of the returned hero's weakened condition it will not be possible for him to make any extended remarks. The sword to be presented to Col. Fowler tonight is the gift of a number of his friends in this city. After considerable persuasion during which the patriotic importance of the plan was emphasized, the owners of the heirloom consented to part with it. It is a splendid weapon as weapons go, but the sentiment and history contained in it will doubtless make it a priceless memento to the popular officer of the regiment, which singularly enough bears the same name as that in which the sword saw service in 1813.

THE COLLIER D. O. GORDON ON WAY HERE

Steamer weathered gale in shelter of land below North Sydney.

The reports published during the past few days to the effect that the collier D. O. Gordon, bound from Sydney to St. John, was much overruled caused no little uneasiness along the harbor front, and the fact that during the past couple of months two other colliers disappeared gave reason for many to believe that something had really happened to the Gordon. Fortunately, however, the steamship is safe and this news was received last night with the word that the ship would not be due to arrive in this harbor until today. The following telegram received by The Standard from Sydney last night gives the information as to the cause of delay.

Sydney, N. S., Nov. 11—The collier D. O. Gordon which sailed from here last Friday evening for St. John, N. B. and over whose non-arrival some uneasiness has been expressed at the latter place is not due to reach her destination until some time tomorrow. The Gordon sailed from the Sydney harbor until today. The following telegram received by The Standard from Sydney last night gives the information as to the cause of delay.

AUTUMN TEA AND SALE OF FILES OF PAPERS

Excellent entertainment in Church of England Institute yesterday.

The annual autumn tea and sale was held in the Church of England Institute yesterday by the Ladies' Association. In the afternoon the usual paper were read and following this tea was served to more than two hundred people.

The evening session opened shortly after 8 o'clock and an address was given by the Venerable Archdeacon Raymond, who spoke on the work of the Institute. He remarked that it was only a few days until the fortieth anniversary and in the last year the Institute had prospered through the generous donation of the splendid building by two St. John citizens. Many branches of the church were taking advantage of the right to hold their meetings in the building. Archdeacon Raymond spoke regretfully of the illness of the president, Rev. R. A. Armstrong, and although he was unable to attend, had been re-elected. He welcomed Chaplain Allison of the 52nd Battalion and extended an invitation to the soldiers of this church, who might wish to use the rooms for reading and writing.

Chaplain Allison replied, thanking the members for the invitation accorded himself and his men and remarked that about 350 men of the battalion belonged to the Church of England and likely they would be marched to their respective churches on Sundays.

H. Russell Sturdee auctioned off the papers, which had been in the reading room during the last year. For the first time in several years at such a sale the year's issues of the Telegraph brought more than The Standard, the Telegraph selling for twenty cents more than this journal of the press.

The refreshment committee consisted of Mrs. T. E. G. Armstrong, Mrs. G. A. Kimball, Miss E. Dickson, Mrs. P. J. G. Knowlton, Mrs. H. Russell Sturdee and Mrs. W. E. Golding.

Mrs. Jas. Harding and Mrs. W. R. Styles were in charge of the refreshment table and were assisted by a corps of young ladies Miss Kathleen Sturdee looked after the candy table and in afternoon Mrs. G. A. Kimball and Mrs. W. C. H. Grimmer poured. In the evening refreshments were served and Mrs. John Schofield and Mrs. Fred Fisher poured.

A number of the young ladies of the Institute acted as waitresses and assisted with the serving of the tea. An appeal has been made for apples for the convalescing Canadian soldiers in the English hospitals, for which an apple tea is to be held in the lower school room of Trinity church from 4 to 6 on Saturday. Admission 15 cents. This tea is under the patronage of a band of energetic young workers. Come and help send apples to our boys.
