Ribs, July 11.99; September 11.85.

Wool Continues

"Tell Me Something

About the Mount Royal

Hotel Itself"

What will the hotel look like when completed?

Above is a picture of "The Mount Royal Hotel," showing how it will appear when completed. It will have 1,050 rooms with baths in addition to large public rooms.

"The Mount Royal Hotel" was designed by

Ottawa, the Fort Garry at Winnipeg, and the Macdonald at Edmonton, nationally

Thompson-Starrett built the Woolworth Building, the highest building in the world, and the Equitable Life Building, the largest Office Building in the world, and many other large buildings.

Who will manage The Mount Royal Hotel?

The United Hotels Company of America.

This Company operates a chain of sixteen successful hotels in the United States and Canada. Every hotel under their management is a financial success. They have reduced the business of hotel operation to a science without losing that point of contact with patrons which makes the operation of

Broader Operations On Bond Market

Business Responded to the Better Tone of the Stock

Market.

New York, May 12—Responsive to the better tone of the stock market, the bond list hardened today, on broader operations, which included numerous investment issues.

Reflecting the Bethlehem-Lackawanna Steel merger, Lackawanna Steel rose two points. Changes among rails were limited, mainly to fractions.

Savannah, May 12—Turpentine firm. 81 1-2; sales, 282. receipts, 463; ship-ments, 310; stock, 3677. Rosin—Firm; sales, 1,050; receipts, 1,125; shipments, 454; stock, 52,792.
