Rev. Father McMurray will be greatly missed by hosts of friends in St. John. Since his ordination fourteen years ago he has been attached to the cathedral parish and for a number of years has been senior priest there. This involved additional duties and cares and all these, as well as the many and varied matters which came duties and cares and all these, as well as the many and varied matters which came before him in his high calling, were given the most earnest and careful attention. Father McMurray has, in fact, displayed remarkable earnestness and energy in his work and all he has done has been with a marked air of modesty. His life as a priest has, too, been dotted with many acts of kindness and charity which, with his ever ready word of wise counsel and sympathy, have greatly endeared him to the people. He has been particularly active in church society work, being spiritual director of the Young Men's Society of St. Joseph, St. Vincent de Paul Society, Holy Name Society, and the League of the Sacred Heart. He practically had charge of the eathedral during the period which covered the last few years of the late bishop's life, and also of all details in connection with the consecration of the present bishop, the consecration of the present bishop, and he showed great knowledge and good judgment. Father McMurray's good works and kindly deeds will long be remembered by those whom he is about to leave.

It has been published in an evening paper that Bishop Casey is to go to Rome next month. That is without foundation, as his lordship is not contemplating a visit to the Eternal City at this time.
