A Cincinnati man tells how to
lift off any corn without
hurting one bit

A reckless man and woman who
suffered with corns and who have
at once a week invited an awing
from lockjaw or blood poison are
aided by a Cincinnati authority in
a drug called freestone, which they
use a few drops are applied to the
corns and the soreness is relieved and soon
entire corn, root and all, lifts off
the fingers.

Freestone is a sticky substance which dis-
solves the corn at the moment it is applied and is
sufficient to rid one's feet of
hard or soft corn or callus.
I am further warned that cutting
corn is a suicidal habit.

War Service Gratuity

As soon as a soldier is discharged from
the army his first concern is to find a job.
He may not find a job at once. During
his period of unemployment he will how-
ever be in receipt of his War Service
Gratuity.

Before the Armistice was signed "post
discharge pay" was granted to discharged
soldiers. Upon the signing of the Armis-
tice this was felt necessary to make certain
changes.

A larger grant will now be made to all
who have served at the front whether
discharged before or after the Armistice.
Those who were on active service on the
date of the Armistice, but had not served
at the front, will also receive a gratuity
on a higher scale.

The War Service Gratuity is given over,
and above any "back pay," pension or
clothing allowance to which a man may
be entitled.

It is given in addition to all the care,
attention and service which the Govern-
ment will devote in order to restore our
fighting men to civil life.

To Whom Awarded.

All soldiers discharged on or after
November 11th, 1918, who have served
with good conduct will receive War Service
Gratuity according to their class.

Soldiers discharged before November
11th, 1918, will receive War Service
Gratuity only if they served at the front
in any actual theatre of war.

If a soldier discharged before November
11th, 1918, did not serve in an actual
theatre of war he will be entitled only to
post discharge pay—according to his class
on the old scale.

The Amount of the Gratuity.

The gratuity consists of a continuation
of a soldier's pay, field allowance and
separation allowance for a period beyond
his discharge.

This period is graded according to the
length and character of service.

If his service has been in part overseas
his gratuity is figured on a higher scale
than that of the man who has served only
in Canada.

The maximum gratuity for the man

who has served overseas is six months.
This is given to the man whose total ser-
vice amounts to three years or more.

Three months gratuity is the maximum
for the man who has served in Canada
only, and it is given for three years'
service.

If the monthly pay and allowances for
a man whose dependents have been re-
ceiving separation allowance should be
less than \$100 he is given \$100 per month
as gratuity. A part of the gratuity equal
to separation allowance will be paid
direct to the dependent entitled to it.

If the monthly pay and allowances for
a man without such dependents should
amount to less than \$70.00 he is to receive
\$70.00 per month.

Further, every gratuity granted will
amount to at least one month's pay, field
allowance and separation allowance.

When Payable.

Men who have already been discharged
will be given the gratuity to which they
are entitled (less any "post discharge
pay" they have received) after February
1st, 1919.

Application for an adjustment must be
made to the paymaster of the district
from which the soldier was discharged.
The necessary forms to be filled out in
support of each claim for adjustment may
be obtained from the military headquar-
ters of each district, from district and unit
paymasters and from officers commanding
militia units.

Men who are still in the service will
receive their first month's gratuity im-
mediately upon their discharge—unless
they are "boarded" to receive treatment
and full pay and allowances from the
Department of Soldiers' Civil Re-Estab-
lishment.

Men who are in the care of the Soldiers'
Civil Re-Establishment will get their gra-
tuity as soon as they cease to receive full
pay and allowances.

By this token Canada will record her
appreciation of her soldiers and sailors—
to a degree more generous than that
shown by any other nation.

BRITISH FILMS WILL BE SHOWN

The formation of "British Films
Limited" under the direction of Jule
and Jay J. Allen of Toronto endeavors
to meet the ever increasing demand of
the patriotic people of Canada for the
display of British Films on the Cana-
dian screens and is being organized to
import, distribute and exploit the
leading photoplays of Britain and
Canadian life.

A great majority of the patrons in
Canada are of British birth or de-
cent. As a British people, we are
proud of our history, our traditions
and our achievements. We desire to
see the picture play masterpieces
that are produced in the mother
country and to be brought face to
face with the rulers, the statesmen, the
soldiers and the sailors of the moth-
erland. The subject has been brought
up for discussion many times in the
periodicals and the press of the country,
and without exception these organs
of public opinion have voiced the de-
mand for a more adequate representa-
tion of British films in Canada.

Within the near future there will be
released in Canada that most touching
story of the war, already famous in
famous in Britain "The Kiddies in
the Ruins," which depicts a humble
home in France before and after the
battle of the Somme. Another pro-
duction soon to be witnessed is entitled
"God Bless our Red, White and Blue,"
a story to make the heart swell with
pride for the British Empire.

These are only a number of
stirring, splendid picture plays of
British origin that will soon be shown
in Canada. There will also be im-
ported from Britain many films deal-
ing with the history of the past and
the history that is now in the making.
At no time has Britain, the mistress
of the seas occupied such a commanding
place in the affairs of the world.
Her rulers, statesmen, soldiers and
sailors will be seen face to face by
the people of Canada. All these films
will breathe the spirit of British liberty
and British nationality. They will
focus the minds and hearts of the
spectators upon British achievements
and British institutions. They will
be inspired and inspired by an atmos-
phere of imperial patriotism. To make
up for this large number of British
films, the companies affiliated
and controlled by "British Films
Limited" will curtail their importation
of American films, effective
immediately, from twenty to thirty
per cent.

From the above, it will be easily
seen to what a very considerable
extent the proportion of British films
will be increased, and the audiences of
Kitchener should hail with delight
the fact that these pictures will shortly
be shown at the Allen, a fitting mes-
sage and gift for the year 1919 to the
people of Canada.

Rheumatism Every Winter

To be crippled by Rheumatism is to
have life become an intolerable bur-
den, especially in the winter, when the
persistent cold and damp aggravate
this complaint till it is almost unbear-
able.

Can you picture the dread that any
man would hold winter in when all it
meant to him was a yearly return of
his Rheumatism and the agonizing
pains that it brings?

Such was the case of Mr. A. Beau-
dry of Bedford, Que. Each winter he
was forced to undergo the torture of
Rheumatic pains, until he discovered
Gin Pills. Read what he says about
these little doctors:

"Every winter I suffered from
Rheumatism, and this is the first
season I have been able to go
through without a return of my
old trouble—thanks to Gin Pills.
The pills are all you claim for
them, and more."

Testimony such as this should con-
vince even the most skeptical that Gin
Pills do remedy Kidney troubles.

If you have friends or relatives who
suffer from this dread affliction, tell
them to try Gin Pills. So many people
have written us stating in glowing
terms how Gin Pills have relieved
them of Kidney troubles, that we are
convinced that all any person needs to
do in order to obtain relief is—try
them.
