PLEASE MENTION FARMER'S ADVOCATE.

NOTICES.

While visiting Oshawa, a few days ago, a member of FARMER'S ADVOCATE staff called upon the McLaughlin Carriage Co. and found that firm's business progressing in keeping with the increased activity of the times. The superiority of their workmanship, and shrewd business foresight and management has widened their market to such an extent as to tax the limit of their immense building capacity to its utmost. While visiting the leading fairs (just past), the exhibit of this firm attracted widespread attention, and though fairs are not usually good places to sell goods, they were successful in nearly closing their entire exhibit out at Ottawa, which was not small. In face of the possibilities, it is hard to realize to what extent such a firm's growth can attain within a short period, when they have already established a reputation for fair dealing, and live up to the Messrs. McLaughlin's motto, "One grade only, and that the best."

The annual meeting of the American Cots-wold Record Association will be held at the Sherman House, Chicago, November 23rd, at 3 p. m.
