**LADIES,  
A WORD WITH YOU.**

A perfect fitting corset permits  
of perfect freedom of movement  
and never distresses: such a corset  
is the most comfortable article of  
ladies' wearing apparel.

Most corsets are little better than  
"Straight-jackets" and they cer-  
tainly were never designed for  
comfort.

French corset-makers have won  
world-wide fame as corset cutters,  
and in gay Paris, the centre of the  
world's fashion, no corset enjoys  
the fame and enormous sale of the  
tailor-cut, hand-finished

**P.D. CORSET**

the lightest, coolest, most comfort-  
able corset made.

At all dry goods stores.  
\$1 to \$30 per pair.

ANSWERS TO CORRESPONDENTS—Continued.

H. H.:—To prepare celery with grated  
cheese serve crisp white celery neatly upon  
a long, low dish and ornament it with bits  
of ice. The cheese should be finely grated  
unless it is cream cheese packed in a jar.  
Grated cheese should be heaped upon a  
pretty dish and served with a spoon upon  
the plate of each guest who desires it. The  
celery is dipped into the cheese and bitten  
off. For hot crisp crackers thin wafers or  
crackers should be used and toasted for  
three minutes in a hot oven. If Boston  
crackers are preferred, split them, arrange  
the halves rough side up on a plate, lay a  
bit of butter on each and brown them in the  
oven.

Mrs. R. P. T.:—To exterminate red ants  
grease a plate with lard and set it where the  
vermin abound—they prefer lard to any-  
thing else and will forsake sugar for it.  
Place a few sticks around the plate for the  
ants to climb upon. Occasionally turn the  
plate bottom up over the fire and the ants  
will fall in with the melting lard. Reset  
the plate and in a short time you will catch  
them all. Also try sprinkling powdered  
borax around the infested places.

ANXIOUS INQUIRER:—Hands are some-  
times moist and clammy without exactly  
perspiring; they may be made more com-  
fortable by washing and brushing them in  
tepid water in which a few grains of alum  
or a few drops of aromatic sulphuric acid  
have been dissolved. Dry them with a  
rough towel and then dust the palms with  
infant powder or with powdered starch and  
Florentine iris mixed, wiping the superfluous  
powder off with a soft handkerchief.

**ASTHMA**

Can be permanently cured by the wonderful  
Kola Plant, which grows along the Kongo  
River in Africa. Dr. Clarke's Kola Compound  
represents this wonderful plant in a highly  
concentrated form. Three bottles are abso-  
lutely guaranteed to cure any case of Asthma  
or money refunded. This remedy is now being  
used in the leading Hospitals and Homes for  
Incurables throughout the world, and is recog-  
nized by the highest medical authorities to be  
the only permanent cure for Asthma yet  
discovered. Price \$2.00 per bottle, or 3 for  
\$5.00 with guarantee. Over 500 cases have  
already been cured in Canada alone. Free  
sample to any sufferer from Asthma. Enclose  
5 cent stamp. Mention this paper. Address  
THE GRIFFITHS & MACPHERSON CO.,  
121 Church Street, Toronto, or Vancouver,  
B.C. Sole Canadian Importers. Sold by all  
druggists

**It  
Doesn't  
Pay**

to take risks on a poor dyer  
when you have expensive  
plumes to dye. The finest  
ostrich feathers can be dyed  
with safety in these works.  
And yet this rule does not  
apply to fine goods only.  
Whatever we dye we dye  
well—"thoroughness" is our motto.
