

Preface.

TO the ladies of America is this little work, "THE LADIES' BOOK OF USEFUL INFORMATION," dedicated. It is a book written expressly for women. This book is full from cover to cover of useful and necessary information for women. Never before has so much knowledge with which women should be acquainted been printed in one book. It is a perfect storehouse of useful facts. Almost every lady spends many dollars every year for cosmetics, medicines, household articles, etc., which this book would save her.

This is a book which every lady should have, and which every mother should place in the hands of her daughters as they come to years of understanding. Every girl of twelve and upwards should read this valuable work.

Many books costing from three to five dollars do not contain half the information contained in this work. Everything described in this preface is taught in this book.

It teaches ladies the secret of Youth, Beauty, Health.

The first chapter teaches all about Personal Beauty.

Every lady desires to be beautiful, and it is the duty of every woman to be as attractive as possible. All may enhance their charms and be lovely by following the directions of this book. Few persons know how to improve their natural looks so as to captivate, charm, and win the admiration of those whom they meet. This book tells the wonderful secret—all the ancients ever knew, and all that has been discovered since. It teaches how to wonderfully improve the person in loveliness. The real secret of changing an ordinary looking person into one of great beauty makes this book of great value. Nature does something for us, but art must make the perfect man or woman.

If you desire bright, melting eyes, a clear, soft, rose-tinted complexion, beautiful hands and graceful figure, well-developed and perfect, use the knowledge which you will find in this book.

It teaches how to acquire a beautiful, delicate loveliness which cannot be surpassed, and which can be retained to a very late age. By means of this teaching a woman of thirty-five or forty can easily pass for a girl of twenty-five.
