- 15 XXXIV. And be it enacted, That the course of the boundary line of each and every concession, on that side from which the lots are numbered, shall be and the same is hereby declared to be the course of
 20 the division or side lines throughout the several townships or concessions in Upper Canada, respectively, provided always, that such division or side lines were intended, in the original survey performed
 25 under such competent authority as aforesaid, to run parallel to the said boundary; and all Surveyors shall and are hereby required to run all division or side lines, which they may be called upon by the
 30 owner or owners of any lands to survey, so as to correspond with and be parallel to that boundary line of the concession in which such lands are situate, from whence the lots are numbered as aforesaid, pro-
 35 vided always, as aforesaid, that such division or side lines were intended, in the original survey performed under such competent authority as aforesaid, to run parallel to the said boundary; Provided
 40 also, that when that end of a concession, from which the lots are numbered, is bounded by a lake or river, or other natural boundary, or when it has not been run in the original survey performed
