LOST AND FOUND

Lost, Friday, March 13 - white gold ring, size 3 3/4 small emerald stone between two diamonds. Somewhere between Tibbits, Singer, and McConnell Hall. If found, please call 450-8704.

One ladies brown leather wallet containing small amount of cash and many ID cards, etc. If found could you please phone Kelly at 453-9506. It was lost between Toole and Head Hall. Thanks.

I'm Curious: I lost a set of keys at the Andrew Cash concert (either in the parking lot (SUB), in the SUB Ladies Room or somewhere in the Social Club. No one ever found them (mysteriously enough). With spring snow melting, I'm hoping maybe they'll reappear. The keys are on an Indian style gold key chain: each key has a label. These keys are needed this summer. Please return to Social Club if found. Thank You!

Jay Toff Lemire, Look, maybe you think one girl is good and two is even better but you're making a big mistake. People are going to judge you on what happened over the weekend unless you smarten up and start explaining yourself really fast. You're getting a bad rep and you are going to have no one but yourself to blame. Right now the ball's in your court, make your move before you end up losing friends and teeth. A friendly warning
