

you that we would wish to go <sup>2336</sup>  
~~300~~  
Down & see you this winter but many  
of us are old men & we think that we  
would suffer with the cold therefore  
we think it best to go down early in  
the spring & we wish you to appoint  
a time when & a place where we may  
meet you & we wish you to let us  
know shortly by sending a letter  
to Elijah Harris Missionary at  
Munciey whom we have chosen to write  
and read for us

We Your humble and obedient  
Children send our best respects to  
our Father
