Dear Sir:-

With reference to the harvesting and hauling of wheat on Lower Kootenay I. R. #4, Bruner Reclamation area, I have now been informed by the Director that the \$111.40 is being tentatively charged to E.R. 121, Seed Grain, but that it must be distinctly understood that this grain must be sold and a proper adjustment made before the end of the present fiscal year.

Please let me know what you intend to do with this grain.

Yours faithfully,

For D. M. MacKay.
