The Report of the Governors of Acadia College, was read by the Secretary Rev. S. W. DeBlois, as follows:—

REPORT OF THE GOVERNORS OF ACADIA COLLEGE.

In presenting the annual report, it has been deemed advisable for various reasons, to omit the particular statements of the studies in each department.

The curriculum laid down in the Catalogues, has been, so far as possible, faithfully complied with, and your Board feel satisfied that they cannot speak too highly of the manner in which the professors, have carried on the work of instruction.

Twenty four students have been in attendance the past year. Six have been matriculated, who will commence their studies at the beginning of the ensuing term.

Eleven of the students have received instruction in the Theological Institute, most of whom have also occasionally labored in the neighborhood.

The Anniversary was held on Thursday, June 3., in the Baptist Meeting House, Wolfville. The Exercises took place in the following order:—
