Clydesdales for Canada

No better evidence of the healthy state of the trade in Clydesdale horses could be desired than the fact that a shipment of twenty-five head left Glasgow on Monday per the Donaldson Line for St. John, N.B. The shippers were Messrs. Oswald Sorby, Guelph, Ont., and J. A. Turner, Calgary, Alta., and of the twenty-five head twenty-four were stallions of quite superior breeding and merit, purchased from Messrs. A. & W. Montgomery, Netherhall and Banks, Kirkcubright, and one was a filly purchased by Mr. Dunn from Mr. J. McCulloch, Laggan, Ballantrae. Besides these Clydesdales, Mr. Sorby had a number of Hackney stallions purchased in Yorkshire, and from Mr. Thos. Neill, Shawhill, Kilmarnock. The twenty-four Clydesdale stallions were equally divided between the two gentlemen. Amongst them we noticed Prince of London (11859), the four-year-old son of Baron's Pride, with which Mr. Dunn won at the first Park Royal Show in 1903. His dam was a good breeding mare Countess, by the Cawdor Cup champion horse Royal Garty (9844), so that Prince of London is of unusually high breeding. Baron Brendan (12022) is a year younger. He was bred by Mr. David A. Hood, and while his sire was the champion Baron's Pride, his dam is a daughter of the noted Kirkcubright prize mare Jenny Lee, of the same family as the renowned mares Laura Lee and Primrose. Other two of the same age, and by the same sire, are exceptionally well bred, big horses. The dam of one was the noted Bessie Lee, which, after winning champion honors in the West, was bought by the Messrs. Montgomery and sold to his Majesty the King. The sire of Bessie Lee was the noted £1300 colt Lord Colum Edmund (9280), winner of numerous prizes, including the Glasgow premium, and other district premiums also. The dam of the other was the handsome big mare Kathleen, bred at Montrave, and got by the £3000 horse Prince of Albion (6178), while the gr-dam was the good Macgregor mare Keapsake, own sister to the noted Macellian, alias Newtonards (4564). Most of the other colts are two-year-olds. Prominent among them is the prize-winning King's Seal (12623), by the Dum-
