The Stylish Watch for

A LADY OR MISS

The 4 hunting case, whether in gold or silver, engraved, enamelled, encrusted with gems, or plain, will always remain the favorite, and, no other house displays them in so many different sizes and styles. We import these watches direct from the makers, and all have been first thoroughly tested by us, and are offered, with our guarantee, at very moderate prices. They are shown in our illustrated catalogue, which we send free to any address, on request.
