COL. J. A. MCGILLIVRAY'S SALE.

Owing to ill health, at the farm, at Bedford Park, three miles north of Toronto, on Yonge St., with street cars passing every hour, from Toronto on the south, and Newmarket on the north, on Friday, Dec. 14th, 1906, with Mr. F. Silversides, the well-known pure-bred stock auctioneer, wielding the hammer, Col. J. A. McGillivray will sell by auction, without reserve, his excellent herd of 31 head of imported and Canadian-bred Scotch Shorthorns, including his grandly-bred and high-class stock bull, Imp. Butterfly King = 50019 =. The females represent the following fashionable strains: Nonpareils, Missies, Miss Ramsdens, Village Maids, Duchesses of Gloster, Crimson Flowers, Marr Beautys, Meadowflowers and Butterflies, an exceedingly attractive offering. Also, at the same sale, will be sold a pair of imported Clydesdale mares, Kate Lander 5605 and Sarah Grand 5602, both three-year-olds, and both in foal to the Toronto winner, Celtic Baird (imp.), and one Canadian-bred registered mare, weighing 1,650 lbs., also in foal to Celtic Baird. Besides these, there will be sold one imported Shire mare, Holdenby Sall, also in foal, and about 25 of his noted Horned Dorset sheep, imported and out of imported stock, from 1 to 5 years old, including 8 choice rams and 6 lambs. Fuller particulars in our next issue.

SUNNYSLOPE SHORTHORNS.

One mile west of the city limits of Guelph is the well-arranged stock farm, Sunnyslope, the property of Mr. A. E. Meyer, the well-known breeder of Scotch Shorthorn cattle. Thirty-five head of Minas, Bessies, Urys, Claretas, Bellonas, Mysies, Village Blossoms, Brawith Buds, Augustas, Mayflowers, Kilblean Beautys, and Broadhooks, all straight Scotch, several of them imported, make up a herd that for some excellence of the low-down, thick-fleshed, good-doing type, has few equals, many of them weighing from 1,600 to 1,700 lbs. each, and all in fine condition, at the head of which is the Rosemary bull, Imp. Scottish Hero, by Proud Champion, dam Rosamond, by the Marr Butterfly bull, Earl of Netherdale. He is a roan, considerably above the average in up-to-date type, very even, smooth, and a mossy handler, a show bull all over, and is proving a capital sire. Second in service is the Miss Ramsden-bred yearling, Chief Ramsden, by the Marr Butterfly bull, Imp. Chief Ruler, dam Imp. Miss Howie. He is the making of a big, straight-lined, thick bull. Among the females are such rare good ones as Rosabel (imp.), by the Missie-bred bull, Mazurka. She is a big, thick, 1,700-lb. cow, Bellona-bred, and has a grand heifer calf, by the stock bull. Claret's Pride, by Aberdeen of Markham, is another 1,700-lb. cow, built on show lines. She, too, has a heifer calf, by Scottish Hero. Village Pet, a Village Blossom, is another of the big, thick ones, by Scottish Chief. She has a heifer calf, by the stock bull. Bessy C. 2nd is a Kilblean Beauty, by Lord Mistletoe (imp.), and out of Bessy C. (imp.), a rare nice kind she is. Trout Creek Augusta (imp.), by Grand Favorite, dam Augusta Duchess (imp.), that sold for \$1,100 to the O. A. C. She has a heifer calf, by Scottish Hero. These mentioned are only representative of the whole herd. In young bulls, there is one five-months-old red, by Imp. Prince Ramsden, and out of Imp. Ivy, by Roscommoner, the making of something extra. Another is a five-months-old Village Blossom, by the stock bull, dam Village Lassie, by the Toronto junior sweepstake winner, Royal Wonder. This is an exceptionally good calf. Then there are twin bull calves, four months old, by the stock bull, and out of Imp. Martha 11th, a very sweet pair. In heifers, there are a number from 1 to 3 years of age, a thick, well-balanced lot, show stuff among them, and bred in the purple. In fact, anyone wanting some choice Shorthorns, of any age, will not be disappointed in visiting this herd, as they about fill the bill for ideal type and gilt-edged breeding. Write Mr. Meyer, to Guelph P. O.

Lost Strayed or Stolen—One Cow

That is about what happens each year for the man who owns five cows and does not use a Tubular cream separator. He loses in cream more than the price of a good cow. The more cows he owns the greater the loss. This is a fact on which Agricultural Colleges, Dairy Experts and the best Dairymen all agree, and so do you if you use a Tubular. If not, it's high time you

did. You can't afford to lose the price of one or more cows each year—there's no reason why you should. Get a Tubular and get more and better cream out of the milk; save time and labor and have warm sweet-skimmed milk for the calves. Don't buy some cheap rattle-trap thing called a separator; that won't do any good. You need a real skimmer that does perfect work, skims clean, thick or thin, hot or cold; runs easy; simple in construction; easily understood. That's the Tubular, and there is but one Tubular, the Sharples Tubular. Don't you want our little book "Business Dairymen," and our Catalog A.198 both free? A postal will bring them.
