

Concrete Block Silos

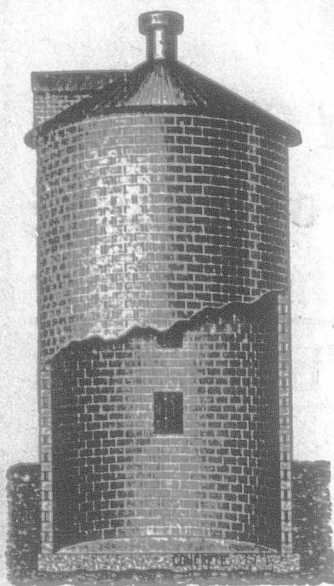

BUILT WITH THE FAMOUS
Continuous Air Space Interlocking
Concrete Block

COST LESS TO BUILD. MAKE A PERFECT SILO.

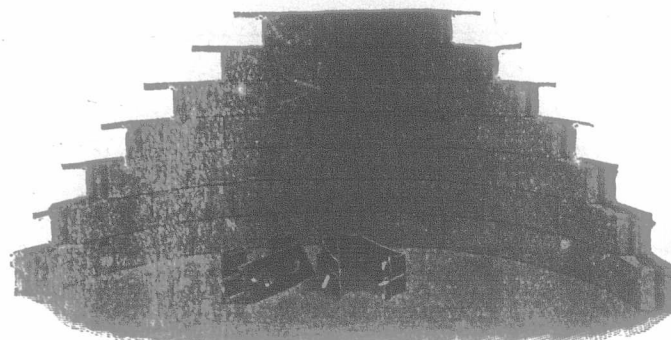

Purchase a mould and make the blocks for your own silo. Our 25,000 moulds have been sold in three years. A mould will pay for itself in one silo. The price of a mould complete to make any one size of silo is only \$25.00. Order one to-day.

Catalogue on request.

WINDSOR

Practically every farmer in Canada uses Windsor Salt on his table—and uses Windsor Dairy and Cheese Salt for making butter and cheese.

Practically all the prizes for butter and cheese making were won this year by those who used Windsor Dairy Salt and Cheese Salt.

Of course, YOU use Windsor Salt, don't you?
