MOTT'S BROMA

THE following observations having reference to the preparation of BBOMA, appeared in a late number of the Boston Medical Joannal :-"A few years since a great massfacturers en Broma sought the opinions of many medical gra-Broma sought the opinion the purpose of having a unobjectionable food for invalids, and was assessed that be and fully succeeded. Hospitals, wins. ries, and households generally, should sluars be provided with it. When grael, arrawroot, grass. provided when the same and many other thing ordinarily resorted to for patients are of no step, the Broma is sometimes relished. It is believed that those who use it as a beverage will have the nifest diatetic advantages over the consenses of ten and coffee. We see it stated that during the last summer those individuals who were con ly using Chocolite or Broms neither had attenof cholers or dysenteric affections, while others of the same families, taking their daily potations a ten, coffee, or simple cold water, were the sefer

ers, if any. We cannot vouch for the truth of the but it has recalled to mind the statement that the oil dealers in Lundon have been free from cholen or the choleroid symptoms. And it has been far ther observed, that persons who were taking cod liver oil for chronic difficulties, during the prevalence of the late epidemic, were not affected by a Vegetable oil in the first instance, and animal of in the last, tiken internally, would appear, by these statements, to have secured those who took them from the shafts of the postilence. It is cortainly a point well worth while to determine, who ther the chocolate drinkers have been secure a

ther infected cities." MOTT'S BROMA has now been before the public for a considerable period, and along with the commendations of the Medical Faculty of the and the neigh-couring Provinces, it has received the approbation of all classes of consumers - 1 is held to be an article of stenderd reputation, and the demand for it is constantly increasing.

COMPOUND BATRACT OF SARSAPARILLA

61, HOLLIS STREET

GENERAL AGENY-Halifax, N. S.

Wender and Bleesing of the Age.

The most extraordinary Medicine in the World This Extract is put up in Quart Bottles; it is aix times cheaper, pleasanter, and warranted superior to any sold. It cures disease without vomiting, purging, sickening, or debilitating the Patient. The great beauty and superiority of this flareaparalla over all other hiedacines in while it evaluates disease, it invigorates the body. It is one of the very best

BPRING AND SUMMER MEDICINES

ever known; it not only purifies the whole system and strengthens the person, but it creates, new, pure and rich blood; a power possessed by no other Medicine. And in this lies the grand secret of its wonderful success. It has performed within the last two years, more than one hundred thousand cures of severe cases of disease at least, 50,000 were considered incurable. It has seved the layer of more than 10,000 children the three past seasons.

109,000 cases of General Debility and want of Nervous Energy.

Nerveus Energy.

Dn S P. Townser's Sarsaparilla insignates the whole avatem permanently. To those who have lost their murcular energy, by the effects of medicine, or in incretion committed in youth, or the encessive induspence of the passions, and brought on by physical prostration of the nervous system, lessitude, want of ambition, fainting sensations, premature decay and decline, hasten ing toward that fatal disease, to numption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any

INVICORATING CORDIAL. As it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system in a most extraordency degree.

Consumption Cured.

Cleanse and Strengthen. Consumption can be cured Rom-chitis, Consumption, Liver Complaint, Colds, Catarth. Coughe dathma, Spitting of Blood, Sevenses in the Ched, Heelte Flush, Night Sweats, Difficult or Profuse Expector-uson, Poin in the Side, &c., have been and can be cured.

Spitting Bleed.

Da. S. P. Townegap-I verily believe your flaresparille has been Dn. S. P. Townszwp—I verily believe your farmsparills has been the means, through Providence, of saving my life. I have for several years had a bad Cough. It became worse and worse. At last I releed large quantities of blood, had night sweets, and was greatly debilitated and reduced, and did not expect to live. I have only used your flarasparilla a short time, and there has a wonderful change been wrought in me. I am now able to walk all over the city. I raise no blood, and my cough has left me. You can well imagine that I am thankful for those results.

Your obedient corvant.

Your ebedient servant, WM. RUSSEL, 65 Catherine-st. Fital Fitall Fitalli

Dr. S. P. Tewnsenn, not having tested his flareaparille in ease of Fits, of course, never recommended it, and was surprised to re-case the following from an intelligent and responsible Farmer in Westchester County:

in Westchester County:

Pordhom, August : 1867.

Da 3: P. Towesten—Dear Sir: I have a little girl, seven year of age, who has been several years alliteted with Fits; we trieff all the seven years of age, who has been several years alliteted with Fits; we trieff as we could id no recommendation in your circulars for cases like here, we to light, as she was in very dollente health, we would give here into your Bersaparilla, and are glad we did, for it not only restained har attength, but she has had no return of the Fits, to our very great pleasure and surprise. She is fast becoming tuggled and healthy for which we feel grateful hour respectfully.

JOHN BUTLER, Ja.

JOHN BUTLER, Ja.

Female Medicines. Da S P Townsum's Sersaparilis is a sovereign and speedy cure for Incipient Consumption, Sarrenness, Prolapsus Uteri, or Falling of the Womb, Costiveness, Files, Leucorrhon, or Whites, Indicated or difficult Menstruction, incomtinence of Urine, or incountary discharge thereof, and for the general prostruction of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once the counterprising than its invigorating effects on the human frame robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of Sarrenness. It will not be a neceted of us in is the great cause of Barrenness it will not be expected of us, in cases of so delicate a nature, to exhibit certificates of curse per formed, but we can seure the afficied, that hundreds of cases have been reported to us. Thousands of cases where families valuable Medicine, have been blessed with fine, healthy offspring
