

Two Organs.—Regulate first the stomach, second the liver; especially the first, so as to perform their functions perfectly, and you will remove at least nineteen-twentieths of all the ills that mankind is heir to, in this or any other climate. Hop Bitters is the only thing that will give perfectly healthy natural action to these two organs.—Maine Farmer.

God can make you happy in the world, with the world, or without the world; but never expect that any thing, or any one, can make you happy but the Lord.

MRS. PARTINGTON SAYS, Don't take any of the quack nostrums, as they are detrimental to the human system; but put your trust in Hop Bitters, which will cure general dilapidation, costive habits, and all comic diseases. They saved Isaac from a severe extract of tripod fever. They are the ne plus unum of medicines.—Boston Globe.

At 5 cents a head, without any labour on the part of society or individual, by means of our Class Papers and post-office delivery system. Every one will subscribe if asked when it is only 5 cents; or expense to society for a whole town is trifling. Sample of each, and full particulars for 10 cents. We publish Band of Hope supplies including weekly paper, library, badges, pledges, certificates, pledge rolls, etc., so cheap that penny collections pay expenses (sample outfit sent for 25 cents, full particulars free); also a whole library of \$1.00 temperance story books at 2 cents each (samples of three numbers for 10 cents). Temperance post-cards, each; samples of six for 5 cents; many other supplies, all at prices suited to general distribution. THE TONTINE INVESTMENT POLICY of The North American Mutual Insurance Company combines in one form the greatest number of advantages attainable in a Life Insurance Policy. It appeals at once to the intelligence of all who understand the principles and practice of Life Insurance.

All Policies whether on Life or Endowment Rates, are subject to no higher charge in Premium Rates, in taking the "Tontine Investment" form.

The extra benefits of this are conditioned only upon continuance of the Policy for a certain specified term or Tontine period of ten, fifteen or twenty years, selected by the insured himself.

Two things most desired in Life Insurance are the certainty of protection in early death and profit in long life. These are combined in the "Tontine Investment Policy" of the North American Mutual Life Insurance Co., which also issues Annuities and all the ordinary approved forms of Life Policies.
