

MOVING PICTURES

OF THE WONDERFUL WORLD CHAMPION

DAN PATCH 1:55

ABSOLUTELY FREE TO STOCKOWNERS

It is a New Invention that you can carry in your pocket and show your friends instantly, day or night, either once or a hundred times and without a machine, curtain or light. The original is the first successful moving picture ever taken of a World Champion Horse in his wonderful burst of speed.

A MILE OF 2400 MOVING RACE PICTURES OF DAN PATCH 1:55 and every picture shows the King of all Horse Creation as plainly as if you stood on the track and actually saw Dan Patch 1:55 in one of his Thrilling Speed Exhibitions for a full mile. 2400 distinct moving pictures taken of Dan in one minute and fifty-five seconds means twenty-one pictures taken every second all of the way around the entire track from the back seat of a high power automobile. You can see Dan shake his head to let his driver know that he is ready for a supreme effort and then you can watch every movement of his legs as he flies through the air with his tremendous stride of 29 Feet. You can see his Thrilling Finish as he strains every nerve to reach the wire, you can see his driver dismount and look at his watch while thousands of people crowd around, you can see his care taker force his way through the crowd and throw a beautiful woolen blanket over Dan to prevent his catching cold and then you can follow him up the track before the Madly Cheering Multitudes. As a Study Of Horse Motion it is better than the actual speed mile because you can see Dan right before you for every foot of the entire mile. When first shown to the public this marvelous picture caused people to stand up all over the theatre calling "Come on Dan!"—"Come on Dan!"

This Remarkable Moving Picture is the Most Realistic and the Most Thrilling ever presented to the public. I have taken a part of the Original 2400 Wonderful and Sensational Pictures and made them into a Newly Invented Moving Picture that you can carry in your pocket and show to your friends at any time, day or night. It does not need a machine, it does not need a curtain, and it does not need a light.

WEAK MEN

I Want to Talk to You

I want to talk to those who have aches and pains, who feel run-down physically, who realize that the old "fire" and energy which was so evident in youth is absent now; men who can't stand the amount of exertion they could years ago. I want you — if that means you — to come to me, and if I say that I can cure you, I don't ask you to pay me until I DO so, if you will give me reasonable security for the Belt while you use it. That is fair, surely? You take no chances, as I know what I can do, and I'll run the risk.

If it were not for the prejudice due to the great number of fakes in the land, I would not be able to handle the business that would come to me. The "Free Belt" fraud and the "Free Drug" scheme, which are not free at all, have made everyone skeptical, but I know that I have a good thing, and I'll hammer away until you know it.

Dear Sir, — I received your Belt and have found great benefit from its use. I used it as you directed and found it perfectly satisfactory. I have some more customers for you, but it is the money that sticks them, but if they had the Belt for a while, and experienced its benefits, they would soon get the money. It is everything you say, and more, for it is a sure cure. Yours very truly, — WM. E. GOOD, Indian Head, Sask.

Dear Sir, — I wish to state that I am fully satisfied with your Belt, which has thoroughly cured me. I may also state that the Belt still retains its current and I bought it just two years ago. I use it now and again when feeling out of sorts. I find it is a splendid spring tonic. — JAMES WOODLEY, Birtle, Man.

Dear Sir, — I have been perfectly satisfied in every way with your treatment, and it is every bit as good as it is said to be. I just wore the Belt for about six weeks straight after I got it, almost three years ago, and I have never worn it since, nor have I felt any pains about me anywhere whatever. My back is perfectly well and strong and I am as healthy as any person could be, and wishing you every success, I remain, — A. H. JOY, Haunted Lake, via Alex, Alta.

Perhaps no private car has ever accommodated at any one time more experts in their line of work than did this private coach attached to this special dairy train and previously used by William Jennings Bryan in his political campaign. This is one of the heaviest and best built coaches on the Burlington line, which accommodates very comfortably the seventeen people required in running this great dairy special.

A Durham farmer was traveling to London to consult a lawyer, when the fear struck him that he had left certain important papers behind. He made a hurried search in his bag.

"If I did leave those papers," he remarked, "I'm a fool!"

Just as he was examining the last bundle of papers he exclaimed: "Well I'll bet I'm a fool!"

A man on the other side of the compartment lowered his newspaper for a moment and said, slowly and deliberately:

"Oblige me, sir, by laying a little money that same way for me."
