WHEN WRITING TO ADVERTISERS PLEASE MENTION THE GUIDE

Here is Testimony. This main reason why The Guide carries more classified livestock advertising than any other farm journal in Western Canada is because it produces the results which advertisers are looking for. Here are the kind of letters which are constantly coming to The Guide:-- Please find enclosed Postal Note for which kindly continue my ad. on Berkshire Boars and Sows in your paper. I am getting the best of results. J. A. JOHNSTON, Waplechester, Alta. October 24, 1917. On the 17th of October I had a small advertise- ment published in The Guide to sell 200 ewes, and most say was very pleased with the results. The party who was fortunate enough to secure the ewes came with the first train, bought 100 head, then came back and bought the balance. I also received many inquiries and was sorry to know that I had to disappoint so many people. October 29, 1917. Send in your ad. today and watch the orders flow The Grain Growers' Guide - Winnipeg, Man.
