Voluntary enlistment has taken thousands of men from office work. Conscripted will take more. Office help is scarce now—will be scarcer very soon. Young women must fill the vacant places and they need training.

A Fatal Day for Horses.

Two casualties occurred in the local horse brigade last week, under unusual circumstances. Mr. George Munro, Elora Road south, drove out to Bruce Tp. and made a deal to sell the horse he had in the buggy, delivery to be made to the buyer next day. As he was coming home his steed suddenly went groggy in the shafts. Mr. Munro requisitioned the use of the nearest telephone to summon a vet., but the equine was soon beyond the restoring influence of dope, and the causes that cut short its last earthly trip could not be designated. Mr. D. Parliament lost his driver the same day in a more tragic way. He had tied the animal to a post after unhitching it from the buggy. A sudden noise frightened the horse and it broke away. After galloping around the field it ran into the wire fence, made a bad attempt at leaping over it and in doing so fell and broke its neck. It was a good driver, and will be quite a loss to Mr. Parliament.—Paisley Advocate.

An old Baptist minister enforced the necessity of difference of opinion by this argument: "Now, if everybody had been of my opinion, everybody would have wanted my wife." One of the deacons, who sat just behind him, responded, "Yes, and if everybody were of my opinion, nobody would have had her."

27 Favourable.

There are 33 members of Bruce County Council and already 27 have sent in replies to Geo. D. McKay of Walkerton, County Secretary of the Navy League, that they will support a levy of three-quarters of a mill at the December session amounting to \$21,000 for the support of the sailors of the Mercantile Marine and their dependents. The extra tax will mean about \$2 to the average ratepayer in this county, and this will obviate the necessity of a county canvass. Carrick's Reeve and Deputy Reeve are advocates of the county grant as opposed to the canvass system which raises money by donations from the generous citizens and the hardshells get off with very small contribution and sometimes without any.

"O Canada" should be sung in luster fashion than ever before. The land of plenty, the land of beauty, the land of heroes and heroines. This surely is the land of the stalwart and free. It's up to her people to keep the record clean by putting out, forever, all that would debase and becloud. Every resident should have high ideals and do their live up to them.
