Last winter they did excellent work for the Society, and they certainly deserve every encouragement. They are planning a grand time, and you really must not miss it. Tell every one you know. Bring them all right along. You will all have a pleasant evening. Don't forget that the admission is just twenty-five cents.

ON COAL BUSINESS

Capt. Bellamy, discoverer in Queens county of what is supposed to be anthracite coal, went to New York Saturday. Before returning here he will exhibit samples of his find to Dr. George Otis Smith, director of the U. S. Geological Survey, for his opinion.—*Gleaner*, Fredericton, Oct. 22.

"We hope Captain Bellamy is not making this trip exclusively to find out the opinion of United States geologists on the samples of supposed anthracite coal he is said to have discovered in Queens County. In matters of this kind scientists do not express their opinion, but state their knowledge of facts. The facts concerning the kind and character of the coal alleged to have been discovered can be furnished as well and as accurately in Fredericton as in Washington. But facts concerning the character of a sample of coal are not important; commercially, unless there is sufficient of the coal in its place of occurrence to make its exploitation worth while. To ascertain this the geologist must go to the place where the deposit is said to exist and make his investigations on the spot. There is no scarcity of competent chemists and geologists in Canada, and coal experts can easily be found in Queens County itself. What is of real interest to the public is not the opinion of a scientist on a sample of coal, but the authentic report of a reliable geological surveyor on the value and extent of the supposed anthracite deposit.—Ed.

It has received from Mrs. Senna a very welcome contribution of \$2, for which it wishes to express its sincere thanks.

Several further donations towards the British Red Cross Appeal have come to hand, and these so nearly made the sum collected in St. Andrews amount to \$200 that the small deficit was made up from the funds of the local Society and \$200 was forwarded to the treasurer of the British Red Cross "Our Day" Fund in St. John. The names of those who have so generously helped to bring the St. Andrews' contribution to its grand total are as follows: Mr. Hayter Reed, \$20, Mr. C. S. Everett, \$15, Mrs. Howard Grimmer, \$4, Miss Bessie Grimmer, \$4, Miss Martha Simpson, Brookline, Mass., \$5, Miss O. A. Smith, \$2.

GREAT BRITAIN AND EMPIRE HONORS

London, Oct. 19.—In replying to Donald Macmaster, in the House of Commons last night, who asked why the first list of Empire honors was confined to the United Kingdom, Bonar Law said the consultations with the dominions had not been completed in time to enable a joint list for the United Kingdom, the dominions and India to appear in August. The question of issuing further lists, including the names of those who have rendered service in the dominions and India, is now receiving consideration.

Asked whether the Government was prepared to co-operate with the overseas Governments to assist the emigration of ex-soldiers, Rt. Hon. Bonar Law said the proposals of the committee for the establishment of a central emigration authority necessarily involved amendment of the existing law. The question of new legislation is under consideration, and the Government hoped to announce its policy in a few weeks.

OBITUARY

PTE. ERNEST F. GREENLAW

Another home is saddened by the death of one of the gallant 26th boys. A few days ago Mr. Martin Greenlaw, of this town, received a telegram stating that his son, Ernest F. Greenlaw, who enlisted over two years ago in the Second Contingent, had met his death somewhere in France. The young man was born at Bayside where he lived the greater part

of his brief life, and was well and favorably known. Entering the Sussex Dairy School he graduated therefrom in 1905, and on the completion of his course was engaged in the creamery business, first in Sussex and then in Saint John. In both places he made many friends who will hear of his death with genuine regret. When the war broke out the urgent call for volunteers appealed strongly to him, and after a few months he gave up business and enlisted, giving as his reason "He thought it was his duty to do his bit for dear old New Brunswick." He was attached to the 26th Battalion, and served with that famous regiment as stretcher-bearer performing his arduous duties on the battle front with courage and fidelity. The end of his promising career a few hours later. He was regarded in the places where best known as an honest, upright, energetic young man, of quiet and modest disposition, ever ready to help the needy. He was in his thirty-first year, and leaves besides his parents one sister, Emma, and a brother, Fred, who mourn his loss. The sympathy of the community is extended to the bereaved family in their sorrow.

A memorial service will be held in the Methodist Church on Sunday evening, conducted by the Pastor, Rev. Thomas Hicks.

SIMON BROWN

Wilson's Beach, Oct. 22
Mr. Simon Brown one of the oldest residents of this place, passed away Thursday evening at the home of his daughter, Mrs. Jas. Mathews, in the 90th year of his age. He leaves three sons, George, David and James; five daughters, Mesdames G. Babcock, J. Babcock, J. Babcock, J. Mathews, and G. Lank, all of this place, and Mrs. G. Washen, of Doak town; thirty-nine grandchildren, and nineteen great-grandchildren. The funeral took place, on Sunday afternoon from the house, the services being conducted by Rev. F. A. Currier. Interment, was in the village cemetery.

MRS. MARY GRANT LEONARD

Mrs. Mary Grant Leonard, formerly of Deer Island, a daughter of Mr. Martin Howe Grant, who was a ship-builder of St. Andrews, died at the home of her son and daughter in Calgary, Alberta, on Sept. 13th, at the ripe age of 89 years. She was born in St. Andrews, and was one of a large family, the only surviving member of which is her brother, Jones Grant, of Brooklyn. Of her own family she is survived by two sons and two daughters, M. G. Leonard, of Tacoma, Wash.; Mrs. John C. Dixon, of Indian Island, N. B.; and Miss Bessie Leonard and Edgar Leonard, of Calgary. One daughter, Mrs. Warren H. Clarke, of Eastport, Me. and one son, G. Clayton, of Vapourer, predeceased her; and two sons died in infancy. Mrs. Leonard was a staunch Baptist, and her long life was devoted to the care and upbringing of her family. The funeral services were held at the home of her son and daughter in Calgary, and the body will be brought East in the spring for interment. The deceased was one of the old pioneer type, and there are few to-day who realize the toll that the years of her day cheerfully undertook. In her early days she taught school in different parts of New Brunswick and Nova Scotia. After her marriage she and her husband settled in Deer Island, where all her children were born and where she performed the then usual tasks of spinning and weaving the cloth for the clothing of her entire family. Some of the blankets that she made are still in use and bear testimony to the care that went to their making. Her children mourn the loss of a most devoted parent.
