

**THE NEW TAVERN LICENSE LAW.**  
There is a provision in this Act which if properly applied will assuredly be productive of immense benefit to the community, not only as a means for curing immorality, but as a preventive to its approaches. We allude to the section of the Act which enacts that annually at the general election for Municipal Councilors throughout the country, the same electors, who assemble for that purpose, shall at the same place and time elect inspectors of public houses, whose duty it will be personally to examine minutely into all matters connected with the character, and the means possessed by the claimants for Tavern Licenses, to qualify them to maintain a house of public entertainment on a plan calculated to insure a strict system of propriety, and at the same time afford such entertainment for travellers as is necessary and convenient. In fact it will become the duty of the persons elected to fill this office, to root out those low and obscure haunts of vice and immorality called "grog shops," the owners of which possessing no means for the proper reception of travellers, only aim at making money by the sale of adulterated liquors to transient and incautious visitors, thereby ministering to the increase of vice and crime and at the same time injuring respectable houses who have complied with all the requisitions of the Law. The people we now have the power in their own hands in a great measure to remedy these evils, by using the authority which we are invested by this Act, in exercising due judgment and discretion in the election of the persons to fill the office of Inspectors; an office of more importance than a superficial view of the matter may suggest. There can be no doubt that if persons are elected, willing and able to perform the duties of this office as they should be performed, much good to the public morals will be effected. —*Cornwall Constitutional.*

**RESIGNATION OF THE HON. W. H. MERRITT.**  
We see it stated in the different Toronto papers, that the member for this county has resigned his situation in the Government; but yet that he will continue to discharge the departmental duties of his office, until certain important affairs connected with the Board of Works are disposed of. The *Globe* alleges the cause to have arisen out of the hon. gentleman's "financial schemes." This may be so; but we think it unlikely that the public will be aware of all the facts of the case before the ensuing meeting of the Legislature. Mr. M. is now here, but will return to Toronto next week. —*St. Catherine's Journal.*

We learn that B. Foley, Esq., Mayor of this town, and Counties Warden, has been appointed Judge of the County of Hamilton. From the efficient manner in which the learned gentleman has discharged the duties of Mayor and Warden, we hesitate not in pronouncing it a good appointment. Col. Richard Murray, of Hamilton, has been appointed Sheriff. —*Id.*
