

**Economical—Dependable
Comfortable—Beautiful**

The "Master-Four" Touring Model 23-35 Special

The McLaughlin-Buick "Master Four" Touring is its own best advertisement. Every car sold means a new friend made. Its all-round goodness commends it to everyone and its thorough dependability insures its staying sold with its owner.

A close inspection of its construction, finish and equipment and a comparison with other cars of its price will convince anyone of its unusual value. But its value does not end here, as it is continually making new records in operation cost and low cost of repairs.

It is a car that is always ready to start—and to keep going. It has proven its dependability under the hardest conditions in all parts of the world. It has the beautiful, graceful lines that grow on one, and in comfort of riding and ease of operation it leaves nothing to be desired, as a ride in it will quickly prove.

Standard equipment includes massive crown fenders, drum type head and cowl lamps, bumper, combination tail and stop light, scuff plates, transmission lock, etc.
