VARICOCELE

The majority of men have varicocele in the first, second or third stage. In the early stages it may cause many symptoms which the patient may not recognize as arising from this disease. In fact, we have found on examination, varicocele present in hundreds of cases where the patient did not know he had it at all. In time it will produce such symptoms as the following: Nervousness, weakness in the back, uneasy limbs, tired and exhausted feeling, pains in the joints, irritation of the bladder and kidneys, sediment and loss in urine, emissions at night with lewd dreams, sexual weakness and decline of manly power—these symptoms gradually develop into NERVOUS DEBILITY AND IMPOTENCY. Our NEW METHOD TREATMENT WILL POSITIVELY CURE YOU AND IT IS GUARANTEED TO CURE YOU WITHOUT OPERATION. Through the circulation of blood improves so the organs are properly nourished, and are restored to strength and vigor; the nerves become strong, ambition and energy replace lassitude and dependency, all drains cease, the eyes become bright, the brain active, and you feel as a man ought to feel in perfect sexual and mental condition.

We Guarantee to Cure or No Pay.

All cases we accept for treatment are taken under a positive guarantee that they are curable or no pay. We refer you to several banks as to our financial responsibility, so you may know we are good for any contracts we make.

CHARLESTON

The storm of yesterday has again left the roads in a bad condition.

Mr. and Mrs. C. Slack and Mrs. H. Plunkett attended the funeral of the late James Plunkett at Athens on Saturday.

Some of our residents witnessed the hockey match at Athens on Saturday afternoon between Athens and Westport teams.

Mrs. A. Plunkett left on Saturday for Newboro to visit her sister, Mrs. Mary Berry, and also her niece, Mrs. Joseph Butler.

GLOSSVILLE

Miss Minnie Hall is visiting friends at Toledo.

We regret to announce that Miss Eva Brown is still very ill with typhoid fever.

Milford Church caught two large owls last week.

We are pleased to see the smiling face of Mr. Archie Lee in our midst again.

Mr. Will Good cut his foot while working in the woods but is able to be around again.

Owing to the bad condition of the roads the Toledo stage has been unable to make its usual trips.

NEW DUBLIN

We are pleased to say that Mrs. Aaron Sherman and Miss Ella Barry are improving nicely under the skillful treatment of Dr. Harts of Athens.

Mr. and Mrs. D. Daek, of Glen Buell, were guests of Mrs. B. Cadwell on Saturday.

B. Cadwell, having put his mill in first class order, is now ready to do custom sawing promptly. You can bring your logs and take your lumber back home with you.

Quite a number from here intend taking in the oyster supper at Glen Buell.

The Methodist minister failed to get here on Sunday on account of the storm.

Mr. Bryce and Miss Ina Gordon, Smith's Falls, are spending a few weeks with their aunt Mrs. B. Cadwell.

LANSDOWNE

Mrs. John Redmond and Miss Redmond have been visiting friends in Athens and vicinity.

J. H. Warren is sending out a peddling rig with goods from his store.

Messrs. William and Samuel Enis, of Uncle Sam's domain, are guests, of their sister, Mrs. W. P. Moore.

A very successful silver medal contest was held on Jan. 22nd, in the Presbyterian church. The contestants were from the Band of Hope class and were as follows: Mallory Shaw, Myra Mulvaugh, Elsie Dixon, Aretta Moore, Hazel Haskins, Laura Stillwell. The medal was won by Laura Stillwell. The selections were good and every number was well rendered. Much credit is due to Miss Findlay, the superintendent of juvenile work of the W. C. T. U.

Miss Clara Moore has secured a position in Toronto as typewriter.

The drug store is being looked after by Mr. Robert Mitchell, of Mitchellville.

SOPERTON

Much sympathy is expressed for Mrs. Phoebe Washburn in the loss by fire of her pig pen and twenty-eight pigs—thirteen small and fifteen large ones. The fire broke out about twelve o'clock on Sunday night and is supposed to have started from a stove in the pen. Her loss might have been much larger had not Mr. W. Whaley been wending his way home about the time the fire started and very promptly gave the alarm to the neighbors, who turned out and helped to keep the fire from the other outbuildings near by. The loss is partly covered by insurance.

Miss Lewis and Miss Goodall of New York City were guests of Mrs. W. Taber last week. Both young ladies are graduates of Roosevelt Hospital of that city, and expect to return next week to resume their work.

Mrs. W. H. Irwin has gone to the General Hospital, Brockville, where she expects to undergo an operation. Her neighbors and friends all wish her a speedy recovery.

Mr. Hayden Halladay is suffering from a severe cold and rheumatism. Dr. G. S. McGhie, Elgin, is in attendance.

Miss Burns, Buffalo, and Miss Jessie Gibson, Morton, are guests at Echo Hall this week.

Mr. F. Nixon and Miss Margaret E. Flood were united in marriage on Wednesday, the 27th ult. by Rev. H. H. Bedford Jones, Brockville.

ADDISON

Some of our oldest residents tell us that our present winter is the coldest experienced in over half a century.

Quite a number of our young people visited Glen Buell on 25th inst., where an oyster supper was given, and an excellent entertainment in the church.

Addison's Public Library is preparing for two comic entertainments in the near future, which we shall endeavor to make the most successful events of the season.

Heroic achievements are no more restricted to masculine ability at the present time than in the days of Mrs. Secord, as was manifest not long ago in the person of Miss Agnes Booth, who succeeded in stopping a runaway horse of Mr. Slack of Athens, but unfortunately she received a sprained hand in her endeavors.

An Addisonian visiting the town of Athens, the seat of education and social refinement, is shocked at the deplorable state of the sidewalks because of snow-obstructions. In the rural village of Addison a young lady and gentleman can, being deprived of sidewalks, walk side by side, hand in hand, in the sleigh-track; whereas, in the aforementioned town they would have to walk single-file, cow-fashion.

GLEN BUELL

Owing to the cold weather and bad roads, nearly all travel has ceased in the highways.

Mr. and Mrs. Jas. Clow of Brockville are spending a few days as guests of Morton Lee.

Owing to the Quarterly Service held next Sunday morning at Lyn, service will be conducted here in the evening to take the place of the regular afternoon service.

Mrs. Ohas Hayes is recovering from a severe attack of blood poisoning, under the skillful treatment of Dr. Purvis of Athens.

We are glad to see our pastor, Rev. Mr. Burke, again able to take up his duties as pastor, although a rest of a few weeks is apparently needed before he is fully recovered.

Miss Ethel Daek, who has been spending a few days with friends at New Dublin, returned home last week.

A successful Sabbath School convention was held in Glen Buell church on Wednesday. The afternoon and night sessions were largely attended. Mr. Jackson of Toronto, who is well known among S. S. people, was present and gave many valuable illustrations as to improved methods of teaching. Mrs. D. J. Forth gave an excellent paper on the needs of the S. S.; it was brim full of information. Mr. Arnold of Addison presided over the convention with much ability.
