Big Wheat Fields Get Rain

Winnipeg, May 16.—With few exceptions, one being Central Manitoba, where rain was not needed, precipitation has been general during the past twenty-four hours over the Winter and Spring wheat belts of Western Canada, and generally speaking, most has been awarded these districts most requiring it. All the "dry belt" southwest of Moose Jaw, right through to Swift Current and Medicine Hat districts to Lettbridge and beyond to the foothills, has been visited by generous rains of from one to nearly two inches.

A Pioneer Gone

Another of the old pioneers of this section passed to rest on Sunday, May 9, 1915, in the person of Joseph W. Stacey, at the home of Joseph W. Stacey, Front of Leeds and Lansdowne. Half a century ago, deceased was a well known character in logging circles from the head waters of the Gananoque River to the mills of Gananoque. The funeral took place to the Marble Rock cemetery.

Generous Gift to Military Hospital

The announcement was made in Toronto Saturday that Mr A. C. Hardy, of Brockville had donated \$40,000 toward the Toronto University base hospital, which it is proposed to establish in England for the care of wounded soldiers. The gift is a generous one and much appreciated by the promoters of the hospital.

The response to the call for funds for this hospital has been very gratifying, nearly \$50,000 having been subscribed, much of which has already been spent for equipment, and the balance is being taken by Col. Roberts to the front for immediate use on his arrival. A special publication is being prepared at Toronto University in which all subscriptions will be acknowledged.

The cost of maintaining a hospital such as contemplated would be about \$4,000 per month and those in charge of the movement suggest that Mr Hardy's donation of \$40,000 be used for maintenance. The offer of \$100,000 recently made by the Fulford Estate (Mr and Mrs Hardy and Mrs G. T. Fulford) to the government to be used in equipping a regiment, could not be accepted on the conditions specified, and will be used in hospital work for wounded soldiers, this donation of \$40,000 being the first instalment.

Rev. William Usher has joined the colony of lake dwellers. He has bought the Wilson cottage on White Sheep Point next to the summer home of Mr and Mrs Joseph Thompson. The cottage was owned by the Rev. Mr Wilson who at one time was a minister on the Methodist circuit here. It has been occupied at intervals since then but most of the time it presented a desolate appearance and its habitation will be welcome to all who pass and repress that picturesque point.

Tell me, ye winged winds that around my pathway roar, do ye not know some quiet spot where wives clean house no more; some lone sequestered vale, some inland ocean girt, where life is not one ceaseless war with cobwebs and with dirt; where only nature's carpet spreads beneath their tired feet, and wretched men are ne'er compelled its emerald folds to beat? The lake breeze fanned my heated face and said: Beat on, There's no such place.

The highest price ever paid on the Brockville Dairyman's Board of Trade for cheese was paid Thursday afternoon when Laing purchased sixty boxes of cheddar at 18 1/2c per lb an advance of 1 1/2c per lb over the price which prevailed at the annual meeting held last week. Even this phenomenal figure is likely to be considered small ere the season concludes. There is really no telling what price may be paid to the farmer. The price paid on Kemptonville Cheese Board last week beat that paid on Brockville Board by 1/2c. Nineteen cents per pound was the price paid to the salesmen there.

It is the intention of the dairy instructors to enforce the regulations regarding the branding of butter this year. In brief, these regulations are as follows: All whey butter in pound prints must be branded, whether it is sold to the patrons of the factory or to the public generally. All whey butter packed in 56 lb. boxes must be branded "whey butter." It is compulsory that farmers offering dairy butter for sale in pound prints, wrap the butter in parchment paper, and brand dairy butter in letters at least 1/4 inch long. Farmers may also have their own name or that of their farm printed on their wrappers.

HARD ISLAND

Miss Violet Robeson teacher at Lehigh's spent Sunday at the home of her parents here, Mr and Mrs P. H. Robeson. She was accompanied by two of her pupils, Miss Hazel and Edna Burns. Miss N. Young was also at home with her parents Mr and Mrs D. Young.

Agriculturists here were slow to the call of agitators for "Increased Production" until high prices began to use their persuasive powers, then they unthinkingly put shoulder to the wheel and it now looks as if the next call might be for increased store room.

Misses Enthalie and Edna Whaley visited friends at Delta on Sunday.

The aspect of Hard Island is indeed a pleasing one, with the landscape wrapped in its mantle of green, while the farmer goes about his chores whistling a merry tune, or hustles off to his work in the field at early morn. One of our farmers may be seen speeding along the highway with his motor car, or our retired carpenter walking leisurely along the road swinging a walking stick in his glove-clad hand.

Officers Elected

The annual meeting of the Ladies Aid of the Addison Methodist Church was held in the church hall on Tuesday afternoon, May 11, and the following officers were elected:

- President—Mrs G. Booth.
Vice-Pres.—Mrs E. Howe.
Rec.-Sec.—Mrs T. Brown.
Cor.-Sec.—Miss Clara Meredith
Treasurer—Mrs G. Taplin.
Organist—Mrs Ben Scott.
Assistant—Mrs (Rev) T. Meredith

After the business was concluded refreshments were served and an enjoyable social hour was spent.

They had a very successful year under the presidency of Mrs S. Duconot. The amount raised during the year was \$233.00.
