# NO DRY HOLES STRUCK YET

### The Tilbury East Oil Field is Gradually Spreading Out.

### GOOD WELLS ARE STRUCK

Special Correspondence.

Stewart, June 20.—The scope of the Tilbury East oil field is gradually spreading out and hundreds of acres are being added to the territory. The field has now been proven for about two miles north and south and one and one-half miles east and west. This makes a large area to be worked and as no "dry holes" have been completed and all are producing in paying quantities.

One of the best wells in the field was brought in on Saturday. This well is on the farm of Matthew Campbell, about one and one-half miles west of Fletcher. After being shot the oil flowed at the rate of ten barrels an hour for some time. It will be a steady producer at 100 barrels per day.

The drillers on the W. F. Robertson farm were given somewhat of a surprise on Saturday. At a depth of 1,390 feet they found some oil, and as no tanks had been erected, drilling was suspended. During Saturday night the fluid broke into the well and immediately began to flow. A large quantity of oil flowed over the ground and was wasted. As the oil rock was entered but a few inches this well promises to be a good one. It will be drilled about 50 feet deeper.

This week promises to be the most interesting in the history of the field, as during this time there will be five or six wells brought in. In all of them there are good indications.

# TO GO TO CHICAGO

### Chatham Cricket Club will Visit the Windy City at the end of July.

The secretary of the Chatham Cricket Club has received a letter from E. C. Davies, captain of the Wanderers, Chicago, stating that the week, July 23rd to 28th, has been selected as the cricket tournament week in Chicago this year. The letter states that five teams, including the home team, will be expected to participate. They are: Chatham, Detroit and Cleveland, combined team, Manitoba and Pittsburg. Two games a day will be played, one team resting each day, and on the last day of the week a final match will be played between picked teams representing the east and west. The experience of the Pittsburg club, who held last year's tournament, proves that the week's cricket is more profitable and arouses more interest than a tour.

Last year Aitken, Wilson and Brundage, of Chatham, played in a combination team of Chatham, Detroit and Cleveland. This year Chatham hopes to send a full team all by itself so that our local enthusiasts must keep at work if they want to "do things."

It is expected that Chatham will play at Detroit on Thursday afternoon.

# BURIED IN COAL

**One Miner Killed and a Second is Badly Injured.**

Springhill, N. S., June 20.—A fatality occurred in the mines here early yesterday, by which a Welshman named Benjamin Davies, lost his life, while a companion was badly injured.

They had proceeded to get timber. This section is well-known as uncertain and dangerous, the seams being very steep, and it often happens that a "slump" occurs without the slightest warning, several tons of coal rolling down the grade like an avalanche, sweeping everything movable with it.

Before the men realized the nature of the surroundings, the road about them commenced to "run," carrying both men to the roadway below, completely burying deceased, and partially covering Pervis Herring, who was held in this position four and one-half hours before being released.

The mines were idle yesterday in accordance with the custom in these events and will also be idle to-day to allow workmen to attend the funeral.

### BASIS FOR UNION.

**Bishop Williams Says Anglicans Will Negotiate Under Four Divisions.**

London, June 20.—In his charge to the Synod of Huron yesterday afternoon, Bishop Williams, referring to the basis upon which the Anglican Church would negotiate for unity resolved itself into four divisions:

(1) The acceptance of the Scripture as the revelation of God and the warrant for faith and conduct.

(2) The acceptance of Nicene and apostles creed and the sufficient exposition of the faith.

(3) The acceptance of the two sacraments ordained by Christ.

(4) The acceptance of the historic Episcopate.

"We Anglicans," said his lordship, "have at least always prayed for unity. We have even made overtures to other bodies with a view to restoring the grand idea of the apostolic life—the visible fellowship of believers—and until recently we have had little response from any quarter."

# A HOT TIME AT WINDSOR

### A Policeman Called in to Settle Council Dispute.

### A CHATHAM DEPUTATION

Windsor, June 20.—Mayor Wigle at last has effectually muzzled Ald. Trumble. The scene occurred quite early in the proceedings of the council meeting last night. Mayor Wigle decreed that a communication on the order paper be referred to the Board of Works, but Ald. Trumble wished it acted on at once. Mayor Wigle refused to put a motion made by Ald. Trumble, and then the fun began.

"You take up that motion, Mr. Mayor," commanded the Irish alderman in a threatening tone. "It is no way to do business, and when we want you to do a thing, you should grant the request."

"Ald. Trumble," said the Mayor in low, decided tones, "I have stood your insolence long enough, and do not propose that you shall continue it. You keep quiet, or I will be compelled to do something to compel you to respect my wishes."

"Well, you can't chill me," replied Trumble, "and I want that motion put."

Mayor Wigle instructed City Clerk Lusted to call a policeman from the police department, and when "Big Bill" Giles walked in and took a seat just behind Ald. Trumble, the latter had no more to say.

Blocking tactics were resorted to again last night when it came to the consideration of the new by-law granting a franchise to the Windsor, Essex & Lake Shore railway.

The business on the order paper could not be finished, but after an informal talk on the railway franchise by Jno. Piggott and W. R. Phillimore, of Chatham, two of the heavy stockholders in the road, Ald. Foster announced that he will no longer oppose the laying of T-rails inside the city limits. Mayor Wigle promised to call a special meeting of the Council some night this week to deal with the by-law.

# HE WAS DISMISSED

### Call Fireman Refused to Obey Orders and would not Apologize to the Chief.

A joint meeting of the Property committee and the Board of Health was held in Harrison Hall last evening.

Hog dealers in the city had complained that, under the quarantine regulations now in force in Kent County, they were not allowed to weigh live hogs on foot at the market weigh soles. They claimed that this restriction was a great inconvenience and asked the civic Health Board and the Property committee to take some action in the way of removing it.

It was decided at last night's joint meeting to investigate the matter. The matter of supplying uniforms to the fire brigade will be reported on at the next Council meeting.

The call-man who was suspended by Chief Pritchard for refusing to obey orders and bad language, was examined before the committee and, as he refused to apologize for his conduct, the committee will endorse his dismissal.

# SLAYER IS CAUGHT

**Johnnie Jackum Will Pay Penalty For Four Killings.**

Victoria, B. C., June 20.—John Jackum, who killed Azel Smalle over a card game, Monday night on Reed Island, was surrounded and captured while asleep in the garret of a deserted house at 7 o'clock yesterday morning.

Jackum will be taken to Vancouver for trial in September.

This makes the fourth murder that the notorious Indian has committed in 24 years.

**Swift Justice in Philadelphia.**

Philadelphia, June 20.—John Joseph Kean, the kidnapper of Freddie Muth, was given a hearing yesterday and held without bail to await the action of the grand jury. The grand jury found a true bill against Kean, and he was given an immediate trial and convicted in less than an hour. Judge Sulzberger sentenced the prisoner to twenty years. From the time of Kean's arrest until he was on his way to the penitentiary to begin sentence less than 24 hours had elapsed.

**Double Rescue From Drowning.**

Peterboro, June 20.—Harvey and Wilfred Adams, twin sons of Ald. Frank Adams, were bravely rescued from drowning Monday night. One boy fell off a raft in the Otonabee River and the other jumped in to same him, neither could swim. Herbert Rogers, the 11-year-old son of R. B. Rogers, late superintending engineer of Trent Canal, jumped in and saved both lads by taking one in each hand and swimming to shore.

**Floored by Iron Bar.**

Walkerville, June 20.—Monday night, Winifred Andrews, son of Supt. Andrews of the Wire Fence Co., was standing near a rapidly moving belt, holding in his hand a bar of iron about two feet long. A pulley in the belt caught the bar and caused it to strike him a hard blow on the head. He is in a dangerous condition.

## BARGAINS

FOR

Men and Boys at Austin & Co's Great June Sacrificing Sale. Don't Stir a Step Until You Read This.

We've used the word "Bargains," a good old English word somewhat overworked, but it fits this sale perfectly. A short time ago we bought at our own price the surplus stock of one of Canada's foremost clothing manufacturers. They wanted the money and they knew it was far better to sell at a loss than to pack away the stock, pay extra insurance, take chances of changing styles and lose the interest on their money.

The complete is now here and our patrons will reap the benefit. Any man who expects to continue wearing clothes cannot afford to turn his back on this great sale. Here are inducements in prices that will make pocket-books fly open quickly. No more to be had at these prices. Act at once, the goods will not be here long.
