M. F. Eagar, Eag. Halipax, N. S.

Dear Sir.—I feel that it is due to you that I should say publicly what I have said privately very many times, namely, that I firmly believe your PHOSPHOLEINE was the means of restoring a near relative of mine to ordinary health. The patient was apparently in the last stages of Consumption, but with the concurrence of skilled physicians your PHOSPHOLEINE was tried, and, I am happy to say, with results that I certainly did not anticipate. My friend is to-day in the enjoyment of excellent health.

Believe me, yours very truly, Grenors W. Hay. D. U.
