THE ACADIAN.

WOLFVILLE, N. S., JULY 14, 1899.

Local and Provincial.

Don't fail to hear Miss Godbold.

It is said that Miss Tupper is the finest pianist in Nova Scotia.

A rare treat awaits those who take in the concert next Friday evening.

Those who heard Miss Godbold a few years ago were delighted—Charmed!

The Wolfville band is to play at Kingsline Beach this evening and if a very pleasant time will no doubt be spent.

Miss Mable Saunders has been engaged to teach the primary department of our public schools in place of Miss Fleet, who has done much excellent work during the past few years.

The ACADIAN ILLUSTRATED is now on sale at this office and at the book stores at 10 cents per copy. The sale so far has been highly satisfactory. It makes a very nice souvenir to send to absent friends.

The regular meeting of the "Crystal" Band of Hope will be held this afternoon, when important business will be transacted and special entertainment will be provided. Parents and children will please bear this in mind as a large attendance is desired.

The ACADIAN begs to acknowledge the receipt of a donation from the garden of Capt. Gillmore this week. This included a number of well-grown beets. The captain's garden is always up to the times. He informs us that he had potatoes in blossom four weeks ago to day.

A Mothers' Meeting will be held under the auspices of the local W. C. T. U. in the rooms occupied by the King's Daughters, in the McKenna block, on Thursday, July 20th, at 3:30 p. m. As the meeting promises to be most interesting and instructive, it is to be hoped that a large number of our townswomen will make an effort to be present on that occasion. All are welcome.

Owing to the disagreeable state of the weather last Friday evening the ladies of the Methodist church were compelled to hold their strawberry and ice-cream social in the vestry of the church instead of on the grounds as arranged. For the same reason the attendance was not large. The Wolfville Band attended and furnished excellent music, and the refreshments provided were of the usual high quality.

Mr. J. M. Shaw has further improved the appearance and convenience of his personal apartments during the past week by putting in a handsome wall case. The case is an expensive and elaborate piece of furniture and we doubt if it has an equal in the province. Mr. Shaw's enterprise and determination to maintain an up-to-date establishment should be rewarded by an increased amount of business.

The Concert of the season is to be given on Friday evening, 21st inst., in College Hall. The Wolfville Band have secured the assistance of a number of star artists who are visiting here, among whom is Miss Ida Goldbold, one of New York's famous singers, and Miss Tupper, pianist, of the Conservatory of Music, Halifax; Miss Patrician, alto, and others. Watch for posters and programmes next week. General admission 25 cents.

Billtown.

Mrs. C. R. Bill met with a serious accident last Sunday. Herself and boy had entered the carriage, but before Mr. Bill could reach the reins, that were lying across the horse's back, he took fright and ran out of the gate to the road.

The vehicle was upset and Mrs. Bill was thrown violently to the ground, and her leg broken above the knee. Dr. Coubert, of Lakeville, was immediately summoned, as also Dr. Barnaby, of Bridgewater, who was visiting his sister, Mrs. Thelma Bowles, of Centerville. Mrs. B. is as comfortable as can be expected. Willitt's fortunately escaped injury.

The condition of the crops during the past month has occasioned some anxiety to the farmers. The reasonable rains have, however, allayed their fears. But it is hard to satisfy everybody. Now some are complaining at the prospect of a late season for cutting their hay. Potatoes are looking fine throughout the country.

\$1000 to loan at 5 per cent on Real Estate. AVARD V. PINCO, Barrister, Wolfville.

Gaspereau Items.

The parsonage is fast approaching completion. On two occasions a number of the parishioners met and handled some things over five hundred loads of earth to grade around the buildings, which has greatly improved their appearance. The barn is finished and already occupied by Mr. Spidell's fine stock.

The schools have closed and the teachers, Miss Ferguson and Miss Benjamin, are off for a well deserved vacation. The year just closed has been the most successful one in the history of the school. The section is fortunate in securing the services of these young ladies for another year.

Mr. Hiram Caldwell, formerly of this place, but who has resided in California during the last sixteen years, has returned and is visiting his brother, Deacon Andrew Caldwell. He notices that the country round about has greatly improved during his absence.

Mrs. Bishop, who has also been absent in California for several years, is visiting her father, Mr. J. L. Gertridge, with her two little daughters.

Mr. James Gertridge, who was so seriously ill a few weeks ago, is able to be out again.

Gaspereau is also getting its share of tourists. Quite a number are boarding in the village.
