

### WOMAN'S NERVES MADE STRONG

By Lydia E. Pinkham's Vegetable Compound.

Winona, Minn.—"I suffered for more than a year from nervousness, and was so bad I could not rest at night—would lie awake and get so nervous I would have to get up and walk around in the morning and in the morning would be all tired out. I read about Lydia E. Pinkham's Vegetable Compound and thought I would try it. My nervousness soon left me. I sleep well and feel fine in the morning and am able to do my work. I gladly recommend Lydia E. Pinkham's Vegetable Compound to make weak nerves strong."—Mrs. ALBERT SULTZ, 603 Olmstead St., Winona, Minn.

How often do we hear the expression among women, "I am so nervous, I cannot sleep," or "it seems as though I should fly." Such women should profit by Mrs. Sultz's experience and give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For forty years it has been overcoming such serious conditions as displacements, inflammation, ulceration, irregularities, periodic pains, backache, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.

**MARTIN-SENOUR**  
100% PURE PAINT & VARNISHES

## The Paint That Costs The Least

is the Paint that covers the greatest surface—that takes the shortest time to apply—that wears the longest. Martin-Senour "100% Pure" Paint does all three. Here's the proof. "100% Pure" Paint covers 900 square feet of surface per gallon.

Hand-mixed-lead-and-oil, and cheap prepared paints, cover only about 500 square feet.

The greatest cost of painting is for labor. It takes less time to apply Martin-Senour "100% Pure" Paint because its fine, even texture spreads much easier.

(Made in Canada)

is guaranteed to be exactly as represented. The purity of the White Lead and Zinc Oxide—the high quality of the Linseed Oil—the minute fineness of the grinding by powerful machinery—insure a paint that gives years of protection and beauty to your home.

Why use cheap paint—that is expensive to put on—when Martin-Senour "100% Pure" Paint wears nearly twice as long?
